offers a reading of the political history of the world as an against story a story of an anti traditional tradition this text presents an alternative reading of the history of the political world and the ideas that have inspired their political philosophy

this is the credo and seminal text of the movement which was later characterized as liberation theology the book burst upon the scene in the early seventies and was swiftly acknowledged as a pioneering and prophetic approach to theology which famously made an option for the poor placing the exploited the alienated and the economically wretched at the centre of a programme where the oppressed and maimed and blind and lame were prioritized at the expense of those who either maintained the status quo or who abused the structures of power for their own ends this powerful compassionate and radical book attracted criticism for daring to mix politics and religion in so explicit a manner but was also welcomed by those who had the capacity to see that its agenda was nothing more nor less than to give good news to the poor and redeem god s people from bondage

an eloquent document of the civil rights movement that remains a work of profound social relevance 50 years after it was first published a revolutionary work since its publication black power exposed the depths of systemic racism in this country and provided a radical political framework for reform true and lasting social change would only be accomplished through unity among african americans and their independence

from the preexisting order

in our time we require a religion ethics and politics adequate to confront the global crises we face in our scientific era of progress we might expect to look with confidence to the scientific disciplines of political science sociology and economics to solve the problems of our civilization we might also look to the older disciplines of religion and ethics to determine our values and to tell us what we ought to do but the sad truth is that the dominant paradigms methods and conclusions of the social sciences and humanities are inadequate to this task we need a new politics of compassion and transformation

religion politics and the christian right not only probes the ambiguities of religion in the public sphere it also offers a genuine vision of how committed and responsible americans religious or not can once again engage america s best prophetic spirit book jacket

first published in 2004 routledge is an imprint of taylor francis an informa company

winner of the noma award for publishing in africa 1998 the jury cited the book as a pioneering text the most important book to have appeared to date about the struggle for african national liberation in the sudan it is a first class inside story of the history of the civil war of the past fifteen years told with passion and commitment its stature ringing significance and contribution to knowledge make it a powerful and unique book the process of liberation in south sudan has been rocky since 1955 successive governments in khartoum have broken promises and agreements relating to governance of the south and the northern establishment has manipulated the situation to perpetuate northern hegemony and to speed up the process of islamisation in the south this study from an activist in the politics of liberation in the south addresses relevant issues such as the objectives of the armed struggle and the reasons for so long a struggle the contradictions of the political leaders in the south the repercussions of the nasir coup of 1991 and the prospects for the splm a struggle

havers argues that it is simplistic to conflate lincoln s invocation of with charity for all with his abiding support for the ideal of human equality the ethic of charity in his view also brought a uniquely christian realism to the universalism of democracy he also describes how since world war i intellectuals and political leaders have denied that there exists a necessary relation between democracy and christian love proposing that democracy is sufficiently ethical without reliance on a specific religious tradition today s neoconservatives and liberals instead posit a universal yearning for democracy that requires no foundation in the ethic of charity havers shows that this democratic universalism espoused by those who believe a chosen people should uphold the natural rights of humanity is alien to the sober thought of both the founders and lincoln

the politics of the spirit is a masterful study of the political effects of evangelical protestantism in central america timothy steigenga s thoughtfully crafted work questions whether the spread of protestantism in latin america has reinforced authoritarian elements in political culture or deepened nascent democracy steigenga provides a thorough review of the literature on religion and politics in latin america putting many of the hypotheses generated in this literature to the test through an analysis of comparative survey data and qualitative interviews steigenga investigates the impact religious affiliation has on political activity and belief and the influence of cross denominational religious beliefs and practices on latin american life his

comparative work explores how different political systems the established democracy of costa rica and the transitional system of guatemala impact the politics of religion this enlightening interdisciplinary book will appeal to scholars seeking to understand the relationships between religious and political change in latin america
