naráyana's best seller gives its reader much more than friendly advice in one handy collection closely related to the world famous pañcatantra or five discourses on worldly wisdom numerous animal fables are interwoven with human stories all designed to instruct wayward princes tales of canny procuresses compete with those of cunning crows and tigers an intrusive ass is simply thrashed by his master but the meddlesome monkey ends up with his testicles crushed one prince manages to enjoy himself with a merchant's wife with her husband's consent while another is kicked out of paradise by a painted image this volume also contains the compact version of king vikrama's adventures thirty two popular tales about a generous emperor told by thirty two statuettes adorning his lion throne co published by new york university press and the jjc foundation for more on this title and other titles in the clay sanskrit series please visit [claysanskritlibrary.org](http://claysanskritlibrary.org)

explores the rich history of angels in america from spanish colonialism and puritan culture to modern incarnations found on tv in movies in comic books and on bumper stickers finds that americans have constructed the useful angel as a servant of man rather than an agent of god

the redefinition of the single family house the urban landscape and the american dream sitting squarely at the center of the american dream the detached single family home has long been the basic building block of most us cities in remaking the american dream vinit mukhija considers how this is changing in both the american psyche and the urban landscape in defiance of long held norms and standards single family housing is slowly but significantly transforming through incremental additions of second and third units drawing on empirical evidence of informal and formal changes remaking the american dream documents homeowners quiet unpermitted modifications conversions and workarounds as well as gradual institutional alterations to once rigid local land use regulations mukhija s primary case study is los angeles and the role played by the state of california findings he contrasts with the experience of other cities including santa cruz seattle portland minneapolis and vancouver in each instance he shows how and asks why homeowners are adapting their homes and governments are changing the rules that regulate single family housing to allow for accessory dwelling units adus or second units key to mukhija s research is the question of why the idea of single family living is changing and what this means for the future of us cities the answer this book suggests heralds nothing less than a redefinition of american urbanism and the american dream

the election of 2008 brought onto the national stage complexities arising when the member of a minority group assumes power over national political institutions it also underlined the limits placed on that power by the double accountability such a figure faces the question posed in this volume of the npsr is might the ascendancy of president obama lead to a deracialization of american politics or its opposite the contributions to this volume examine this question in a variety of ways david wilson and khalilah brown dean analyze black attitudes towards the candidates for the democratic party nomination in the presidential race of 2008 lorenzo morris asks how perceptions of race have defined expectations of the african american ambassadors to the united nations horace bartilow and kihong eom use a game theoretic approach to examine us drug strategies in the caribbean a works in progress section follows with personal reflections by michael c dawson and andra gillespe they relate how personal concerns and curiosities guide their research a book review section provides a discussion about works of interest to scholars studying black politics

in a highly readable blend of analysis and interviews cohen shows how today s twenty something generation thinks examines what their concerns are for themselves and for society and debunks much of the media hype that portrays this group negatively

hargrove argues that political leadership must contain a moral element if it is to be fully effective he suggests a model with which to analyze compare and evaluate political

leaders and then assesses the presidencies of franklin roosevelt lyndon johnson and ronald reagan according to the model's normative implications jacket

thirteen essays treat children from the pre civil war generation to 1950 as active influential participants in society the essays are organized into four topics cultural and regional variation toys and play family life and the ways evolving memories of childhood shape how adults think of themselves

prolific munitions production keyed america's triumph in world war ii but so did the complex economic controls needed to sustain that production artillery tanks planes ships trucks and weaponry of every kind were constantly demanded by the military and readily supplied by american business while that relationship was remarkably successful in helping the u s win the war it also raised troubling issues about wartime economies that have never been fully resolved paul koistinen's fourth installment of a monumental five volume series on the political economy of american warfare focuses on the mobilization of national resources for a truly global war koistinen comprehensively analyzes all relevant aspects of the world war ii economy from 1940 through 1945 describing the nation's struggle to establish effective control over industrial supply and military demand and revealing the growing partnership between the corporate community and the armed services koistinen traces the evolution of federal agencies mobilizing for war including the national defense advisory commission the office of production management and the supply priorities and allocation board and then focuses on the work of the war production board from 1942 1945 as the war progressed the wpb and related agencies oversaw the military's supply and procurement systems stabilized the economy while financing the war closely monitored labor relations and controlled the shipping and rationing of fuel and food in chronicling american mobilization koistinen reveals how representatives of industry and the armed services expanded upon their growing prewar ties to shape policies for harnessing the economy and how federal agencies were subsequently riven with dissension as new deal reformers and anti new deal corporate elements battled for control over mobilization itself as the armed services emerged as the principal customers of a command economy the military industrial nexus consolidated its power and ultimately succeeded in bending the reformers to its will the product of exhaustive archival research arsenal of world war ii shows that mobilization meant more than simply harnessing the economy for war it also involved struggles for power and position among a great many interest groups and ideologies nearly two decades in the making it provides an ambitious and enormously insightful overview of the emergence of the military industrial economy one that still resonates today as america continues to wage wars around the globe

lyndon baines johnson ascended to the presidency in the wake of tragedy to lead the united states through one of its most violent and divisive decades his troubled presidency was marked by endless controversies over civil rights the vietnam war foreign policy and law and order issues among others nearly four decades later it's now possible to reexamine those controversies to illuminate as never before the achievements and

failures of one of the nation's most misunderstood presidents drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on lbj's beleaguered white house tenure collectively they reinforce the image of johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control four chapters focus on lbj's foreign policies including a positive appraisal of his handling of the 1964 panama crisis but less favorable assessments regarding the downhill slide into vietnam the six day war and policies toward the communist bloc yet the authors generally depict a president who contrary to conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy five other chapters focus on aspects of lbj's domestic policies that have been largely neglected women's rights native americans agriculture civil disorder and fiscal policy whether responding to urban riots or balancing different versions of the 1964 farm bill johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized all of these writings attest to the complexities of lyndon johnson a larger than life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed the new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure

this first historical study of u.s. budget policy covering the last three decades places the budget at the center of modern american politics and adds an important dimension to the understanding of recent events

this book uses the life and work of caffie greene one of the most influential grassroots community activists and public health educators in twentieth century los angeles as a platform to examine the wider story of black women activists in recent united states history caffie greene worked to foster the development of unions black elected officials and black youth leaders within the black panthers and worked with a legion of women leaders to further progress in the fields of health care education youth employment welfare rights public transportation police reform and electoral politics the book traces greene's journey from her childhood plantation life in arkansas to her emergence as one of the most distinguished civil rights activists in los angeles history it provides in depth meticulously researched archival material to amplify the voice of a pivotal woman and analyzes how her contributions impacted the movements of the postwar era examining the pedagogical aspects of social protest as the main resource for consciousness raising among historically marginalized youth and adults caffie greene and black women activists asks the essential question what can we learn about grassroots community organizing that we do not yet know by centering a black woman like caffie greene's life what are the continuities in greene's political work between cold war radicalism black power and black feminism and that strict binaries like integrationist and black separatist nationalism and socialism and feminism and black power obscure this book will be of key

interest to students and scholars studying black activist history black feminism and twentieth century united states history
