bearing date of the 20th of may 1727 hence that the confraternity may be canonically established application must be made to the master general of the dominicans in rome and this is usually done through the provincials of the different nations in which the order of st dominic exists the explanation hereby given has for its object the securing to all devout clients of the rosary whatever indulgences and spiritual benefits may have been at any time attached to this great devotion father monsabre has published seven series of meditations on the rosary only three of which we give at present to english readers the success of our first venture will insure the early publication of the remainder the french work has gone through twelve editions we attach to our little volume the encyclical of our present sovereign pontiff leo xiii given on the 1st of september 1883 this magnificent document relating to the rosary along with his other letters to the same effect may be said to constitute a new epoch in the history of this devotion the rosary is a form of vocal prayer accompanied with a meditation upon one of the fifteen mysteries distributed into three series the joyful the sorrowful and the glorious mysteries the joyful mysteries are the annunciation the visitation the nativity the presentation in the temple and the finding of the child jesus in the temple the sorrowful mysteries are the agony in the garden the scourging at the pillar the crowning with thorns the carriage of the cross the crucifixion the glorious mysteries are the resurrection of our lord the ascension the coming of the holy ghost the assumption of the blessed virgin and her coronation the sacred art of the rosary consists in reciting devoutly the prescribed prayers whilst the soul piously occupied in meditation on the mysteries contemplates and draws fruit from the various circumstances in which our blessed saviour and his most holy mother appear
