the birth of god s united black nation in white america the last chapter by charles j cook the birth of god s united black nation in white america the last chapter is about god s united black nation in white america financially establishing independence and securing themselves

as a free united black nation in america and in the world uniquely closing the book of the individual black experience in white america this last chapter symbolizes freedom and the opening of a new book for future chapters to be written about a united black nation

gratuitous angst in white america presents a new criminological theory that explains the racialized experiences of white people unlike orthodox traditions that assume whiteness as normative or progressive traditions that center the experiences of the marginalized and oppressed the theory of whiteness and crime flips those perspectives and turns a lens toward white people's lived experiences and the ideologies of whiteness the theory of whiteness and crime answers two overarching questions how does being white impact one's likelihood of engaging in deviant criminal and or violent behaviors and why are white people treated differently than other racial and ethnic groups by the criminal legal system through the application of a critical whiteness perspective to criminology the theory of whiteness and crime is an intersectional and integrated framework that explains within and between group differences in negative behaviors and entanglements with the criminal legal system this book examines the racialized history of america to contextualize the current racial strife in society and inform a more nuanced theoretical approach to explaining disparities the reader will gain a socio historical understanding of the depths of the current divides and insight into how such are perpetuated and potentially dismantled students will see connections between various theoretical traditions and an application of theory to current social conditions researchers will acquire a new theoretical foundation and propositions to ground empirical work that will fill extensive gaps in the criminological literature and policy makers will see how oversights in understanding the depths of historical significance perpetuate and increase disparities and disadvantages which are counter to a pursuit of justice written in a compelling and direct way this book will appeal to those in criminology sociology race and ethnic studies gender and sexuality studies political science cultural studies psychology criminal justice law and beyond gratuitous angst in white america is essential for those seeking a more complete understanding of the associations between race and crime and those who want to remedy those disparities in the end it is more than a new theory of crime it is a call to action for all willing to hear

a social systems approach to the study of negro family life historical backgrounds of the negro family shadows of the plantation contemporary social forces affecting negro family life screens of opportunity sources of achievement in negro families social status in the black community the agony and the promise of social change strategies of social reform

new york times bestseller a fascinating explanation for why white america has become fractured and divided in education and class from the acclaimed author of human diversity i ll be shocked if there s another book that so compellingly describes the most important trends in american society david brooks new york times in coming apart charles murray explores the formation of american classes that are different in kind from anything we have ever known focusing on whites as a way of driving home the fact that the trends he describes do not break along lines of race or ethnicity drawing on five decades of statistics and research coming apart demonstrates that a new upper class and a new lower class have diverged so far in core behaviors and values that they barely recognize their underlying american kinship divergence that has nothing to do with income inequality and that has grown during good economic times and bad the top and bottom of white america increasingly live in different cultures murray argues with the powerful upper class living in enclaves surrounded by their own kind ignorant about life in mainstream america and the lower class suffering from erosions of family and community life that strike at the heart of the pursuit of happiness that divergence puts the success of the american project at risk the evidence in coming apart is about white america its message is about all of america

to which is prefixed a concise history of english and american short horns compiled from the best authorities

volume for 1893 contains an account of the horticulture of the columbian exposition

harry truman s administration began searching for an american response to the clash in indochina between french colonialism and vietminh communism in 1945 thirty years and five administrations later gerald ford and his aides tried unsuccessfully to solicit additional aid for south vietnam from a reluctant congress for truman ford and every american leader in between the dilemma in vietnam hung ominously over the presidency in shadow on the white house seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other focusing on the personalities politics priorities and actions of the presidents as they confronted vietnam the authors consider the expansion of presidential power in foreign policy formulation since world war ii in their analyses they chronicle the history of executive leadership as it related to vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation s frustrating tragic and humiliating failure in

southeast asia although other histories have been written about the vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue it is organized by presidential administrations giving a detailed examination of each president s decisions and policies based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war amazon com
