talking to the enemy is an intellectually and personally courageous exploration of one of the most contentious issues of modern times scott atran has spent years talking to terrorists from gaza and afghanistan to indonesia and europe in order to help us understand and mitigate the rise of religious violence here he argues persuasively that we need to consider terrorists close relationships with family and friends as much as the causes they espouse and delivers a fascinating journey into the mindsets of radicalised people in the twenty first century along the way he also provides deep insights into the history of

all religions and into their evolutionary origins he shows us above all how we have come to be human more than any other book talking to the enemy invites us to empathise it is itself the best possible example of how to do it
