this book is about my life and everything i have experienced from birth to where i am now i have also put some philosophy into it because i believe i cannot write a good book without giving people some insight into what has transformed me philosophy is very transformative i have also given some parenting advice to parents of this democratic generation because i think the elimination of a certain amount of struggle has created some illusion of a comfort zone whereby people seem to be there in other people s lives but not fully there

with so many options and superficial cliches associated with wokeness and mental health it can be overwhelming figuring out where to begin you know something or things aren t going as you would like in your life as a young parent young professional or mentor you also yearn to wisely guide those who now depend on you but no matter how positively you think no matter how tough you seem no matter how many affirmations you memorize nothing changes it feels as though you just can t win life is constantly frustrating or at best just fine from one millennial to another mpho proves to you that it doesn t have to be this way there s a way to turn it around whether you are interested in self help or not this book will challenge you to discover your own truths grow some live with passion purpose and help your squad do the same it s not your typical self help book it is a story of hope and a call to action it s the beginning of a great journey for us all let s start now be the change

throughout this inner travelogue susan shares experiences that will help you open your mind and provide tools you can use to live the creative process whatever circumstances or events surround you you will find this to be a powerful process to move from where you are to where you want to be as you read allow yourself time for focused dreaming hold your vision lightly in the back of your mind and imagine your end results enjoy your fantasy this is a process of becoming what does not yet exist in order to create a better reality inside you will

learn how to accept where you are even as you envision an improved future use your current feelings to experience the essence of what you are creating become your dream through your conscious choices and live it on a daily basis persist and be amazed by the arrival of new resources and new directions beyond what you have ever imagined you can flip your thinking ask the right questions and create the life of your dreams using the power of your mind you can choose rainbows over ruins

when we look at people who have achieved great things we often believe that they are more talented than the rest of us or luckier or more well connected but the only thing that separates the successful from everybody else is that they have learned how to bridge the gap between setting goals and achieving them they have developed ways of behaving and more importantly ways of thinking that enable them to get what they want the good news is it is possible for anyone to learn these techniques as a parent or teacher you can sharpen your own skills then pass them along to the teens in your lives imagine implementing the concepts that secret teachers and others are using to motivate thousands of adults and teens worldwide imagine improved relationships increased self esteem and a direct path to your dreams imagine working with your children or students to help them get better grades improve their results in sports and pave a clear path to a brilliant future instead of imagining start right now

readers can get tips on getting ahead from individuals such as donald trump oprah winfrey and tiger woods who were nominated for the 101 most successful and respected people in the world today list by successnet

what if you found out that you're not who you believe you are what if i told you that you're not who your family thinks you are what if you're not the person that people around you see and hear what if the human being is in reality the fusing element of two worlds physical and spiritual what if in the human body you can find both physical and spiritual where the spiritual manifests physically what if what we call the mind as we know it is actually the gate through which the two worlds meet cross and exchange information what you are as a spiritual being can't be described in any human language what you are can't be seen by any human eyes what you say can't be heard by any physical ears you are the awareness in you the consciousness

you are the love the joy and the happiness that bursts out of you you are the creator of your body and the creator of your own universe you are limitless you are wealth you are health you are all these things combined and more you are something that can only be felt through your physical body and you will feel you long before you finish reading this book this book is not religious it doesn't aim to favour one religion or discredit another if anything it's a tool for any religion that's been created from the beginning of humanity and helps explain phenomena that couldn't have been explained otherwise it supports science equally however it doesn't just support theories that are based purely on physical evidence though it may provide answers where these haven't been found yet if one is open to accepting a different point of view it was written to serve as a manual for life explaining how things become what they are and providing confidence and strength to teens getting ready to face the world on their own and to adults who feel lost without a purpose and in need of guidance toward a happy life
