this book is about my life and everything i have experienced from birth to where i am now i have also put some philosophy into it because i believe i cannot write a good book without giving people some insight into what has transformed me philosophy is very transformative i have also given some parenting advice to parents of this democratic generation because i think the elimination of a certain amount of struggle has created some illusion of a comfort zone whereby people seem to be there in other people's lives but not fully there

with so many options and superficial cliches associated with wokeness and mental health it can be overwhelming figuring out where to begin you know something or things aren't going as you would like in your life as a young parent young professional or mentor you also yearn to wisely guide those who now depend on you but no matter how positively you think no matter how tough you seem no matter how many affirmations you memorize nothing changes it feels as though you just can't win life is constantly frustrating or at best just

fine from one millennial to another mpho proves to you that it doesn't have to be this way there's a way to turn it around whether you are interested in self help or not this book will challenge you to discover your own truths grow some live with passion purpose and help your squad do the same it's not your typical self help book it is a story of hope and a call to action it's the beginning of a great journey for us all let's start now be the change

when we look at people who have achieved great things we often believe that they are more talented than the rest of us or luckier or more well connected but the only thing that separates the successful from everybody else is that they have learned how to bridge the gap between setting goals and achieving them they have developed ways of behaving and more importantly ways of thinking that enable them to get what they want the good news is it's possible for anyone to learn these techniques as a parent or teacher you can sharpen your own skills then pass them along to the teens in your lives imagine implementing the concepts that secret teachers and others are using to motivate thousands of adults and teens worldwide imagine improved relationships increased self esteem and a direct path to your dreams imagine working with your children or students to help them get better grades improve their results in sports and pave a clear path to a brilliant future instead of imagining start right now
