the authors estimate that 15 percent of office staff members are on the way to chronic boredom and demotivation in the workplace here they bring to light this newly recognized phenomenon and show executives and hr managers how to recognize boreout and avoid its consequences

describes family friendly working arrangements in australia japan the uk and the usa and analyses statistical data for european union countries discusses factors which might encourage firms to adopt more family friendly policies

this unique book examines how mental health issues impact the workplace and explores ways to create more mentally healthy work environments

kemp shows how a mentally healthy workplace can enhance productivity satisfaction attendance and longevity in employment and how companies should comply with federal laws including the 1990s americans with disabilities act kemp points out the importance of mental health in the selection management and retention of employees and addresses issues such as violence in the workplace and the effects of corporate culture she also shows the extent to which mental health plays a role in physical health problems and the cost of inappropriately focusing on physical health care when the underlying issues are mental and emotional health and lifestyle

this text challenges the view that human resource development hrd is a concern for organizations and enterprizes only in the western world It examines relevant aspects of developing human resources in organizations focusing mainly within the less developed countries

this book is the result of the 1990 world conference on computers in education these conferences held only once every five years bring together computer educators from around the world to share their ideas experiences achievements and frustrations in this rapidly developing field the papers are grouped into streams and mini conferences reflecting the logical organization of the conference the streams include elementary secondary university vocational education and training research and rainbow for papers that cut across the streams the mini conference sections address the use of computer based training in industry new tools in the classroom and computing in distance education

emotional intelligence is a major determinant to success in the workplace this book shows how you can optimize your performance through masterfully managing your own e i

shows that boredom is the disease of motivation and can lead to inattention to work hostility towards management absenteeism and apathy all of which add up to one thing lower profits
