pioneer congressman martyr of the alamo king of the wild frontier as with all great legends davy crockett s has been retold many times over the years he has been repeatedly

reinvented by historians and popular storytellers in *Born on a Mountaintop* Bob Thompson combines the stories of the real hero and his Disney enhanced afterlife as he delves deep into our love for an American icon in the road trip tradition of Sarah Vowell and Tony Horwitz. Thompson follows Crockett's footsteps from his birthplace in East Tennessee to Washington where he served three terms in Congress and on to Texas and the Gates of the Alamo seeking out those who know love and are still willing to fight over Davy's life and legacy. *Born on a Mountaintop* is more than just a bold new biography of one of the great American heroes. Thompson's rich mix of scholarship, reportage, humor and exploration of modern Crockett landscapes bring Davy Crockett's impact on the American imagination vividly to life.

So what's fact and what's fiction? This book separates the truth from the tall tales and reveals the two Davy Crocketts: one a myth, the other a real man. Both were remarkable people, lives worth remembering and celebrating.

Originally written in 1834 by Davy Crockett and sounding more like a tall tale than a biography, this lively book established Davy Crockett as a larger-than-life American hero.

Relates the true story of Davy Crockett, one of the Old West's outstanding hunters, frontiersmen, and legislators.

Unlike some other reproductions of classic texts (1) we have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos (2) in books where there are images such as portraits, maps, sketches, etc. We have endeavored to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Acclaimed historians Randy Roberts and James Olson use a wealth of archival sources, including the diary of José Enrique de la Peña, to retell the story of the Alamo for a new generation of Americans. In late February and early March of 1836, the Mexican army, commanded by General Antonio López de Santa Anna, besieged a small force of Anglo and Tejano rebels at a mission known as the Alamo. The defenders faced a dire predicament: lacking vital information about the events unfolding beyond the mission's walls, they did

not have much of an understanding of santa anna or of his government in mexico city they sent out contradictory messages they received contradictory communications they moved blindly and planned in the dark and in the dark early morning of march 6 they died in that brief confusing and deadly encounter one of america s most potent symbols was born the story of the last stand at the alamo grew from a texas rallying cry to a national slogan to a phenomenon of popular culture and presidential politics yet it has been a hotly contested symbol from the first questions remain about what really happened the full story of the alamo from the weeks and months that led up to the fateful encounter to the movies and speeches that continue to remember it today is a quintessential story of america s past and a fascinating window into our collective memory historians randy roberts and james olson explain what happened from the perspective of all parties not just anglo and mexican soldiers but also tejano allies and bystanders they delve anew into the mysteries of crockett s final hours and travis s famous rhetoric finally they show how preservationists television and movie producers historians and politicians have become the alamo s major interpreters walt disney john wayne and scores of journalists and cultural critics have used the alamo to contest the very meaning of america and thereby helped us all to remember the alamo

describe the life of davy crockett one of the old west s outstanding hunters frontiersmen and legislators

describes the life and contributions of an individual who helped shape world history

a simple illustrated biography of one of america s most famous pioneers and soldiers

a biographical account of the frontier hero who became a symbol of the restless westward movement across the american continent

null

according to legend frontiersman davy crockett could lick his weight in wildcats and died at the alamo only after killing hundreds of enemy soldiers did he always wear a coonskin cap and buckskins or was he just an ordinary man a hunter and politician who usually dressed in everyday clothes and died like any other ordinary man at the alamo find out in this book which seeks to separate fact from fiction while exploring the life and death of one of the

most colorful characters in american history
