a grandmother s love is forever in star people a picture book about remembrance and tradition from s d nelson award winning author and member of the standing rock sioux tribe a young lakota indian girl narrates the story of how she and her little brother young wolf survive a prairie

fire school library journal a stirring original story based on lakota legend the swirling images of the celestial dance beautifully reflect the story's celebration and awe of the natural world booklist sister girl and her brother young wolf wander away from their village and soon find themselves far out in the surrounding prairie they sit down in the grass and watch the clouds passing above billow to form an eagle horses and other creatures we sat in the dry sweet smelling grass watching the clouds drift overhead young wolf pointed and said sister girl that cloud looks like a buffalo's head we both laughed with amazement there's an eagle i cried suddenly animals begin to race past the children on the ground followed by a wall of fire fleeing along with the frightened beasts sister girl and young wolf save themselves by tumbling into a shallow stream the fire leaves behind ash and a barren forbidding landscape the children realize that they are hopelessly lost night is coming how will they get home to their parents and why are the evening stars dancing so drawing upon traditional lakota ledger book art s d nelson's illustrations bring to life a memorable new legend about the star people

just north of detroit in a 1960's neighborhood a group of kids ted natalie mitch greg and jim make a promise never to reveal how they write their secret messages as they grow up they remain friends throughout their lives they stand up for each other's weddings and attend the birthday parties of each other's children however on the fiftieth anniversary of having met on matthew street their childhood promise results in them being recruited by the cia for a deadly mission which will test their friendships to the breaking point the cia has discovered that the pope is missing and has been replaced by an extraterrestrial imposter however that is top secret information and only those on a need to know basis are privy to it the u.s. government cannot be involved so they enlist a third party to be the face of their operation the matthew street gang is charged with the task to eliminate the imposter and close the portal above first nation ridge in arizona but when several people go missing and everything points to the vatican observatory three apache scouts get involved and the life long friends must finally recognize the true identity of their enemies or die

are you a star person this book is a great read for those who appreciate our beautiful galaxy these pages will introduce you to the wonders that may exist far and beyond our little planet bring your sci fi imagination to life again with andromeda easy to read text that is perfect for those that hold onto the fact that something else may be out there maybe there isn't or maybe there's more to life than what we've been told and most

importantly is there a secret code word for people like us to access a rare connection into a whole other world are the ancient clues left for us to find read this short entertaining story to find out

in star people katharine fay dewey crafts a profound narrative that intertwines elements of indigenous spirituality interstellar mythology and personal transformation the book delves into the lives of those who perceive themselves as connected to extraterrestrial beings exploring themes of identity and transcendence through lyrical prose that resonates with both emotional depth and intellectual rigor dewey s adept use of allegory and symbolism invites readers to ponder the intersection between the earthly and the cosmic presenting a compelling commentary on human existence amidst the vastness of the universe katharine fay dewey known for her interdisciplinary approach draws upon her background in anthropology and cultural studies to inform her writing her passion for bridging the realms of science and spirituality permeates star people reflecting her fascination with the cultural narratives that shape our understanding of the cosmos dewey s travels and extensive research have allowed her to engage with various communities enriching her storytelling with authentic voices and experiences readers seeking a thought provoking exploration of human consciousness and our place in the universe will find star people an enriching addition to contemporary literature dewey s unique perspective challenges conventional narratives making this book a must read for anyone intrigued by the mysteries of existence and the potential for human evolution

shocking true stories of those who walk among us with the kepler satellite observatory detecting new planets at an unprecedented rate and the powerful computers at nasa s ames research center seeking signs of distant life will a breakthrough discovery happen shortly or has there already been a secret encounter with alien beings who might be coming next and who walks among us today visits from otherworldly creatures aliens living among us abductions of humans to alien spacecraft and accounts of interstellar cooperation since the ufo crash in roswell are thoroughly investigated in real aliens space beings and creatures from other worlds paranormal researcher extraordinaire brad steiger an author of thousands of books and articles on the mysterious and unknown looks into a wide host of otherworldly encounters from alleged eyewitness accounts of extraterrestrial beings working side by side with human scientists to the uncomfortable accusations of alien abductions disquieting

testimonials enlightening news articles informative historical accounts and documents this book chronicles more than 300 examples of alien encounters conspiracy theories and the influence of extraterrestrials on human events throughout history this discussion of the theories and mysteries surrounding aliens is packed with thought provoking stories and shocking revelations of alien involvement in the lives of earthlings such as three russian scientists who were monitoring the apollo moon landing on july 20 1969 claim that astronauts armstrong and aldrin were being closely observed by ufos thousands of women all over the world claim to have been abducted for the purpose of bearing hybrid children a family in colorado repeatedly visited by aliens with physical evidence and photographs to prove their story from cattle and human mutilations to missing time experienced by ufo experiences and from secret underground and even underwater alien facilities to government alien conspiracies each astonishing report is detailed with thorough research and recounted with a storyteller s crafted voice real aliens space beings and creatures from other worlds will leave the reader wondering who has visited us who s coming to visit next and who walks among us

we are one universal family our family needs to be restored to a place where we all live together in unity love peace and harmony our universal family will be restored to health through mutual understanding knowledge respect and communication the book is written from a spiritual and journalistic perspective regarding a variety of issues that affect our universal family the goal of this book is to provide information that could open up a much broader discussion worldwide regarding our world family as we all share mother earth and our entire universe

explores the circularity of navajo thought through studies of sandpaintings chantway myths and stories reflected in the constellations
