Harris Danielle Steel Pat Hoodless Sue Fliess Jen Green Chiara Piroddi*

the original edition of this book made accessible to primary school teachers and student teachers the means of putting many of the elton report s findings into practice the author s philosophy on behavior management still stands but the ideas have been revised and updated to take account of more recent thought about good practice in primary education and the management of schools today the book suggests tried and tested strategies for forestalling behavior problems through thoughtful class management and lesson planning responding positively to behavior incidents communicating positive expectations and enhancing pupil motivation there are useful checklists throughout and material for experienced staff as well as for students and newly qualified teachers

games ideas and activities for primary music is a handy tool for primary music teachers it is packed full of simple activities for your classroom and is organised by skill singing rhythm playing listening activities can be easily adapted to suit different classes or topics and help you to feel more confident teaching music prior musical knowledge is not necessary to use these activities and a glossary of music terminology is included cross curricular links inspire creativity across the primary curriculum and brighten up your classroom

the complete multifaith resource for primary religious education ages 4 7 is a definitive teaching and learning aid for cross religious exploration in the classroom offering stimulating and detailed ways in which to apply a concepts based approach to the teaching of re it

provides a model for learning which engages children and encourages the development of higher order thinking skills and which can be applied to other subject areas in a cross curricular setting comprising of a book and downloadable resources the complete multifaith resource features key concepts that underpin religious beliefs and practices and that are key to effective learning in re for the target age level each concept chapter provides a wealth of material which will enable teachers to lead their pupils through the learning experience resources can be displayed on an interactive whiteboard for classroom viewing or alternatively printed out for pupils to use during individual and group activities requiring no further search for resources this includes stories pictures and questions to prompt discussion writing frames sort cards matching pairs and other engaging activities this indispensable tool provides a modern innovative and refreshing approach to teaching re that has already proved to be effective in a large number of schools and can be applied to the effective delivery of an agreed syllabus for re each chapter is introduced by looking at the key concept from a christian point of view and is then examined from the perspectives of the other major world faiths including buddhism judaism islam hinduism and sikhism the complete multifaith resource for primary religious education ages 4 7 will be of value not only to re managers and leaders but also to primary phase teachers who may have little confidence or expertise in teaching re trainee teachers and those studying on education courses will also benefit from gaining a better understanding of the concepts based approach to the teaching of re as expounded by the hampshire portsmouth and southampton agreed syllabus

provides support for re co ordinators who are trying to get religious education properly established in their primary schools the text focuses upon issues of planning implementing and resourcing and aims to be a user friendly guide

dealing with the arrival of a new baby in the family

peter and lucy s parents explain reproduction and childbirth in order to prepare them for the arrival of a new baby

based on qualitative research in 50 schools throughout england and wales this book portrays teachers work as it is experienced in the post era context of multiple innovations it examines the impact of the national curriculum and assessment on classroom practice and curriculum organization

full color illustrations show a child and his parents welcoming a new baby

a new baby in the family is a big change in a small child s life this delightful book will help young children share the excitement and prepare them for the big event

good night new baby is a joyful book that captures the essence of welcoming a new baby to the family highlights from these colorful pages include baby s first checkup family gatherings at the hospital baby s new room changing diapers feeding baby playing peek a boo reading to baby making funny faces going for walks in the stroller and singing lullabies

introduce your child to new situations through these entertaining and sensitively written stories which are perfect for reading together each story is packed with facts and humour to familiarise your child with what to expect from a first experience in a new baby kipper helps

his friend get ready for the arrival of a new sibling first experiences with biff chip kipper have been carefully created to help parents explore the wider world with their child talk about shared feelings and emotions and build vocabulary through the fun activities included in every book each book also includes advice on how to get the most out of reading together and practical tips on navigating new experiences biff chip kipper are characters from the oxford reading tree series which is used in 80 of primary schools and now appear in a popular new cbeebies series this story has been written by roderick hunt author of the original oxford reading tree stories alex brychta s humorous and detailed illustrations bring the stories alive and are known to and loved by millions of young readers all over the world

a father recalls his young daughter s first reactions to her new baby brother

unsure about the prospect of having a new baby in the house four and a half year old max finally decides that it might not be so bad after all especially when he sees his new twin brother and sister

a little golden book about a happy family milestone a new baby when bella hears she s going to be a big sister she pictures all the fun she ll have with a sweet baby girl but the new baby turns out to be a boy bella is disappointed at first until she holds him for the first time and imagines how wonderful life will be with a baby brother

new experiences is a series that enables young children to confront and overcome the daily fears they experience as they develop and grow some of the events covered include attending the dentist and arriving at school for the first time

little tim is the central character for this innovative series that speaks both to parents and their little ones each of the first four books in the series deals with a fundamental problem that might affect three to five year olds fear especially of the dark anger and aggression that are frightening and difficult to manage jealousy perhaps due to the arrival of a new family member and the shyness that makes it difficult to face new situations such as the first day of nursery school the book s point of view makes it unique it speaks directly to the reader describing a problem and providing five small simple solutions to help face it all of the points are imaginative and written using language suitable to the targeted age group with examples taken from the child s daily life that he or she can actually put into practice at the end of every book parents will find reflections and behaviors in a section dedicated to them because sometimes parents find these situations just as hard as their children do and sometimes even harder
