about my book the story you are about to read is based on my life its a true story i wanted to share it with others hoping it will make a difference in their life after you read it you will see how i fit back with my faith by helping others fight back as well how i was called a poor girl to heart trouble kid but with my faith i was the richest girl in the world not money wise but being blessed wise stories about some of my friends who fit back with their lives and won about special people in my life who made a difference you will see how miracles happen you will be amazed how little things can make a difference and never give up on faith or your dreams because this is one of mine

nonwhite and white rich and poor born to an unwed mother or weathering divorce over half of all children in the current generation will live in a single parent family and these children simply will not fare as well as their peers who live with both parents this is the clear and urgent message of this powerful book based on four national surveys and drawing on more than a decade of research growing up with a single parent sharply demonstrates the connection between family structure and a child's prospects for success what are the chances that the child of a single parent will graduate from high school go on to college find and keep a job will she become a teenage mother will he be out of school and out of work these are the questions the authors pursue across the spectrum of race gender and class children whose parents live apart the authors find are twice as likely to drop out of high school as those in two parent families one and a half times as likely to be idle in young adulthood twice as likely to become single parents themselves this study shows how divorce particularly an attendant drop in income parental involvement and access to community resources diminishes children's chances for well being the authors provide answers to other practical questions that many single parents may ask does the gender of the child or the custodial parent affect these outcomes does having a stepparent a grandmother or a nonmarital partner in the household help or hurt do children who stay in the same community after divorce fare better their data reveal that some of the advantages often associated with being white are really a function of family structure and that some of the advantages associated with having educated parents evaporate when those parents separate in a concluding chapter mclanahan and sandefur offer clear recommendations for rethinking our current policies single parents are here to stay and their worsening situation is tearing at the fabric of our society it is imperative the authors show that we shift more of the costs of raising children from mothers to fathers and from parents to society at large likewise we must develop universal assistance programs that benefit low income two parent families as well as single mothers startling in its findings and trenchant in its analysis growing up with a single parent will serve to inform both the personal decisions and governmental policies that affect our children's and our nation's future

booby or jordan that was the one question that lenika needed the answer to more than anything she'd spent enough of her life thinking and praying about her first love it was time she found out the truth having been sexually and emotionally abused diara has learned to keep her sweet heart to herself in her life love held a lack of permanence and before she allowed herself to be let down again she'd stay alone manipulative as they come riley and gucci are two of the most conniving men in the

state of georgia full of themselves and feeling invincible both men continue to lurk around wreaking havoc on others with no signs of remorse until the tables are turned
