dogs versus cats this age old contest continues to fuel heated debates around the globe now *btg* bravely steps in to settle the dispute once and for all *greive* isn't anti cat he's just pro dog in this first paperback edition of his internationally renowned *why dogs are better than cats* he champions the many exceptional virtues unique to man's favorite pet for one he believes dogs get people they have superior communication abilities they want to know and help us and their innate sense of loyalty teamwork and justice makes them the truest of companions whereas cats prefer to wait in the other room *btg* makes his case with his trademark wit and warmth his brilliant original narrative is supported by stunning photography from none other than internationally known animal photographer *rachael hale*

is there an animal doctor in the house most likely the answer is no and when an accident or other emergency threatens your pet every minute counts don't be unprepared open the first aid companion for dogs and cats by *amy d shojai* and learn basic first aid techniques such as cleaning a wound making a splint and performing cpr step by step which over the counter human medications can help or harm your dog or cat what to keep in your pet's medicine chest many essential items

are probably in your house already how to quickly pinpoint what's wrong with your pet using the first aid symptom finder plus you'll discover a comprehensive a to z guide to more than 150 common and not so common injuries and conditions including abscesses bites from animals car accidents choking gunshot wounds heatstroke hot spots jellyfish stings poisoning snakebites each at a glance entry tells you when to call the vet which supplies or medications you'll need what immediate action you should take and what you should do as follow up care by knowing what to do in an emergency and then acting quickly and confidently to take the proper steps you could save your pet's life the next time medical help is not quickly available reach for the first aid companion for dogs and cats it's a pet owner's second best friend

reproduction of the original the publishing house megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

chicken soup for the pet lover's soul spoke directly to the hearts of all readers whose lives have ever been changed by the love of a pet now the coauthors bring readers this volume honoring the unique and enduring love that people share with their cats and dogs

a thoughtful book about how to ensure that the animals we love benefit from the relationship as much as we do kirkus reviews we feel love for our companions and happiness that we're providing them with a safe healthy life but sometimes we also feel guilt when we see our cats gazing wistfully out the window or watch a goldfish swim lazy circles in a bowl we can't help but wonder are we doing the right thing keeping these independent beings locked up subject to our control is keeping pets actually good for the pets themselves that's the question that animates jessica pierce's powerful run spot run a bioethicist and a lover of pets herself including over the years dogs cats fish rats hermit crabs and more pierce explores the ambiguous ethics at the heart of this relationship and through a mix of personal stories philosophical reflections and scientifically informed analyses of animal behavior and natural history she puts pet keeping to the test is it ethical to keep pets at all are some species more suited to the relationship than others are there species one should never attempt to own and are there ways that we can improve our pets' lives so that we can be confident that we are giving them as much as they give us with gentle humor clear compelling language and always in search of the physically and emotionally healthiest lives possible for our animal companions run spot run moved me all the more because it's written from the inside looking out pierce herself lives with three pets and understands the deep urge so many of us feel to connect across species lines barbara king author of how animals grieve

this is the original explanation why i had written up in my mother's book and that was in book form she is the only one that has the original book form of the stories that have been written in each chapter there are different stories of different animals with different characters one is an adventurous type of cat another is a dog with dreams and another is a horse with some ideas of how she wanted life to be the cats an interview between two cats one of them is well travelled and very intelligent the dogs a story of a dog named cora and her family and how she tells about her family and the way of life on a farm the horses a story of a horse named asta and how she was horsenapped

one day a man came and complained that the dog killed his sheep the owner said he was sure that it was impossible hero was so well trained he was always in his kennel at the right hour and he knew that he must not kill sheep after a while the neighbor came again with the accusation the dog was then tied in the barn the man came again with the same charge against the dog

using humor answers questions about household pets as well as other animals familiar to kids

when a cat lists all the rhyming reasons that dogs are not good pets there is one final reason to have a dog for a friend

ever since the first youngster in history had a pet cats vs dogs has been a hotly debated issue at recesses and lunch tables worldwide which one s better smarter
