cheyenne's body suddenly without warning began turning against her with
fierce and haunting attacks of ravaging pain and fear ripping through her with
such vengeance that with each onslaught she thought that she was surely losing
her mind it wasn't her mind that she was losing though it was her mind and
memory that she was gaining as her subconscious was battling to give her
consciousness the details of a past so traumatic that her conscious couldn't
deal with the reality and stored all of the horror into the subconscious memory

bank away from the devastation that the knowledge would have caused her she had been safe for many years until recently when out of nowhere a juggernaut jolted her subconscious and cracked open the contents as it struggled to come out of hiding to wreak havoc once more on the mind and soul of the quiet sullen and withdrawn cheyenne with the emotional storm at hand trying to crest cheyenne began investigating her own hauntings only to find out the truth about herself and what her deceiving parents had tried to keep buried for so long with each clue and truth others did whatever they could do to stop her from discovering her past and finding out who was responsible her rewards at the end of this treacherous journey was a great love the conviction of those who tried to destroy her and a very special person enters her life a very poignant story

shaping the wolf within your dog is a comparison study of wolf and dog behavior it is also a comprehensive guide for living in harmony with dogs we know dogs are genetically related to the wolf and both exhibit identical instincts behaviors temperaments and dispositions and both abide to the law of nature that contends for any animal grouping to survive there must be social order and communication between its members knowing this we should learn all we can about wolf behavior and incorporate that knowledge with our dogs by learning how pack animals establish social order and communicate with one another we can use this information to shape our dogs natural instincts without having to use food bribes or violence when we communicate in our dogs language we will be able to communicate our leadership the outcome will be predictable for we will be using the same methods of an alpha wolf when he establishes and maintains social order with a pack of wolves we will be shaping the same wolf instincts that are intact and engaged in each of our dogs shaping the wolf within your dog illuminates the natural behavior of canines the language of canines how alphas lead their packs how alphas discipline and show affection the hierarchy of the wolf social order the natural friendliness loyalty and devotion of pack members how to pick the best pup from a litter how to
