one of the best loved men in Britain Alan Titchmarsh brilliantly recalls his childhood in 1950s Yorkshire. Alan Titchmarsh grew up and developed his passion for nature in the wild and beautiful landscape of Yorkshire, a real treat for his millions of fans. The ever popular presenter vividly depicts a childhood of simple pleasures like climbing trees and fishing in streams in a time of post war austerity. It was not a deprived childhood yet neither was the garden eternally rosy and Alan's colourful portrait of a bygone era brings poignant moments and others that leave you aching with laughter. Alan's sharp eye for detail brings to life various family members and their memorable quirks as well as local characters, childhood haunts and significant events that have shaped his life.

When Alan left school at fifteen, little was expected of him. An O level in art is not the most obvious passport to success, but in the ancient greenhouses of the local nursery Mrs T's little lad found his spiritual home, learning his trade and the strange ways of human nature. But the comfort and familiarity of his home in the Yorkshire Dales would soon be left behind as he journeyed south to college and then to Kew Gardens, where he encountered rare plants collected by Captain Cook and a varied assortment of eccentrics in the world's most famous garden. Spells as a teacher and editor followed until fate took a hand when he landed a job on BBC's *Nationwide*. As their gardening presenter, his childhood dream of inheriting the mantle of gardening god Percy Thrower was beginning to come true. From the first faltering steps in radio and television to a career in broadcasting and writing, *Knave of Spades* is a wonderfully warm and self-deprecatingly honest memoir. Alan Titchmarsh shows us just why he has become not only our favourite gardener but a popular writer and broadcaster too.
