sisters and the english household revalues unmarried adult sisters in nineteenth century english literature as positive figures of legal and economic autonomy representing productive labor in the domestic space as a crucial site of contested values the adult unmarried sister carries the discursive weight of sustained public debates about ideals of domesticity in nineteenth century england engaging scholarly histories of the family and providing a detailed account of the 70 year marriage with a deceased wife s sister controversy anne wallace traces an alternative domesticity anchored by adult sibling relations through dorothy wordsworth s journals william wordsworth s poetry mary lamb s essay on needle work and novels by jane austen elizabeth gaskell charles dickens dinah mulock craik and george eliot recognizing adult sibling relationships and the figure of the adult unmarried sibling in the household as primary and generative rather than contingent and dependent and recognizing material economy and law as fundamental sources of sibling identity sisters and the english household resets the conditions for literary critical discussions of sibling relations in nineteenth century england

psychological theory has traditionally overlooked or minimized the role of siblings in development focusing instead on parent child attachment relationships the importance of sisters has been even more marginalized sue a kuba explores this omission in the role of sisters in women s development seeking to broaden and enrich current understanding of the psychology of women this unique work is distinguished by kuba s phenomenological

method of research rooted in a single prompt tell me about your relationship with your sister rich in detail the responses many of which are reproduced at length within the book provide a complex picture of sister relationships across the lifespan integrating these stories with current literature about gender and family composition for sisters of difference disabled and lesbian sisters and ethnic sisters this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients a valuable contribution to the field of mental health the role of sisters in women s development is highly recommended for therapists who wish to broaden their inquiry into the sister connection as well as anyone who wants to further understand the importance of sisterhood
