prior to the summer of 2011 john had no particular interest in dogs or dog training

but after a dog responded to a friendly wave with a bite to his calf John's curiosity was piqued why did the dog respond that way was there anything he could have done differently then like Kismet came a wonderful opportunity for an education in dog behavior in the form of a beautiful long coat German Shepherd named Abby through Abby came schooling in how dogs minds work what training techniques are effective and maybe more importantly what doesn't work when training dogs Abby is my dog trainer brings these lessons to you drawing on John's time with Abby his background in psychology and social work and knowledge gained by reading over 100 books on dog training rather than focusing on specific training techniques this book discusses practical examples of training told in stories of John's time with Abby as well as funny and touching tales any pet owner can relate to an understanding of dog behavior learning theory and psychological theory underlying training techniques the power of positive non punitive dog training and more join John as he learns from Abby about the world of dog training as well as an even more important lesson how special the bond with a dog can be and how the right approach to training can strengthen that bond

good service dogs are both born and made watching a service dog and her handler working as a team in a busy public space is a thing of beauty not every dog has the temperament or genetic make up to do service work but with the proper reward based training many dogs can succeed in public areas succeeding in public access work is the subject of Jennifer Cattet's new book which is especially important given some of the controversies surrounding poorly or untrained service dogs being brought into public areas Jennifer prepares you and your dog to meet the standards of the public access test developed by Assistance Dogs International while the book focuses on training it also covers in detail a number of other important questions including how much time effort and cost are involved in acquiring and training a service dog can you train a shelter dog for service work and are there breeds of dogs you should avoid what are your rights and the laws relating to service dogs how do you deal with the public when working with your service dog

when your dog exhibits bad behaviors such as inappropriate chewing barking or

jumping up what causes those behaviors and what can you do to correct them as the former owner of three naughty dogs i had the same questions my dogs dax shep and diesel all had unique issues and difficulties due to their past experiences in life through intensive study and lots of hard work i was able to correct their behaviors and raise each as a happy healthy dog that wasn't a constant source of anxiety pain and stress in this book i'll combine my first hand experience with these three difficult but wonderful dogs along with the expert advice and insight from some of the top dog trainers today trainers such as ian stone simpawtico dog training jason lake prodogz dog training joann neve pack leader training cori ludemann polite pups dog training and many more i've interviewed these trainers and gotten them to share their best techniques for correcting different unwanted behaviors your dog may be exhibiting or could exhibit in the future through their advice you'll develop a bag of tricks to curb your dog's bad behavior and understand why these behaviors are showing up we'll discuss how to reward your dog and what sorts of disciplinary measures work and what ones can backfire we'll also discuss the signs that you and your dog need professional help and how to find the right trainer not one method works with every dog so we offer multiple strategies allowing you to discover which will work best to solve your dog's behavior issues remember there are no bad dogs only dogs whose owners don't understand how to properly teach train and correct their unacceptable behaviors if you find yourself owning a problem dog then you need to accept the fact that it's up to you to change your mindset behavior and correction strategies so that you can help your dog reach their full potential this book was written for you to help you do just that

when the first volume of the dog trainer's resource was published in 2007 it became a resounding success among professional dog trainers and behaviorists it also introduced a new generation of dog trainers to the profession and started them on the road to success with information from experts in the field this new volume the dog trainer's resource 2 contains more cutting edge information collected from dog training's most influential magazine the apdt chronicle of the dog published by the association of pet dog trainers subjects covered in this book range from puppy training and socialization to working with veterinarians and
