looking at medieval maps of the traditional pilgrim routes to the spanish cathedral city of santiago de compostela it is noticeable that there are no roads from scotland noticeable at least to the scots author of this book patrick farnon who splits his time between scotland the netherlands and spain says i thought it might be a good idea to invent such a route of the various well trodden roads to santiago we have the french way el camino frances the fisterra way el camino de fisterra the english way el camino ingles the silver way la via de la plata from seville the northern way el camino del norte along the cantabrian and basque coasts and the primitive way el camino primitivo from oviedo there s also a

portuguese way so why not a scots way to santiago the situation now stands corrected in this amusing record of a personal odyssey across the shoulder of spain looking for the links between the scots and the spanish farnon mixes the medieval with the modern and discovers all sorts of marvels and wonders as well as a few charlatans in this account he covers the camino frances to santiago de compostela and way back via the camino de fisteria and the camino del norte a trip of nearly two thousand kilometres he also finds more than a few ancient links which means there is at last a scots way to santiago de compostela even if it is a very singular one

this book is equal parts reflection factual account of the challenges and joys of the pilgrimage and practical advice for preparing for it and making it the best experience possible read it if you are planning to walk el camino de santiago de compostela read it if you know you never will and want to know what it is like if you like first person accounts full of facts and reflection you will like walking from here to there

the seventh volume in knopf s critically acclaimed complete lyrics series published in johnny mercer s centennial year contains the texts to more than 1 200 of his lyrics several hundred of them published here for the first time johnny mercer s early songs became staples of the big band era and were regularly featured in the musicals of early hollywood with his collaborators who included richard a whiting harry warren hoagy carmichael jerome kern and harold arlen he wrote the lyrics to some of the most famous standards among them too marvelous for words jeepers creepers skylark i m old fashioned and that old black magic during a career of more than four decades mercer was nominated for the academy award for best song an astonishing eighteen times and won four for his lyrics to on the atchison topeka and the santa fe music by warren in the cool cool cool of the evening music by carmichael and moon river and days of wine and roses music for both by henry mancini you ve probably fallen in love with more than a few of mercer s songs his words have never gone out of fashion and with this superb collection it s easy to see that his lyrics elevated popular song into art

this is a complete unabridged republication of a dictionary of spoken spanish which was specially prepared by nationally known linguists for the u s war department tm 30 900 it is compiled from spoken spanish and emphasizes idiom and colloquial usage in both castilian and latin american areas more than 16 000 entries provide exact translations of both english and spanish sentences and phrases as many as 60 idioms are listed under each entry this is easily the largest list of idiomatic constructions ever published travelers business people and students who are interested in latin american studies have found this dictionary their best source for those expressions of daily life and social activity not usually found in books more than 18 000 idioms are given not as isolated words that you have to conjugate or alter but as complete sentences that you can use without change a 25 page introduction provides a rapid survey of spanish sounds grammar and syntax with full consideration of irregular verbs it is especially apt in its modern treatment of phrase and clause structure a 17 page appendix gives translations of geographical names numbers national holidays for spanish countries important street signs useful expressions of high frequency and a unique 7 page glossary of spanish

and spanish american foods and dishes
