as a doctoral candidate professional business consultant and business plan writer i am often asked by aspiring and seasoned entrepreneurs alike what is the first step for starting a food truck business or expanding a current operation when i first started out as a business consultant i would explain to my client their place in the entrepreneurial process i then support this analysis with proven academic and practicing business theory along with recommending specific steps to take to start or expand their food truck operations after going through this process time and time again with food truck entrepreneurs it dawned on me that

the first step i always recommend is writing a business plan unfortunately most entrepreneurs do not know how to write a professionally polished and structured business plan hell most owners don t know how to write any type of business plan at all from this issue i decided to write this book focused on a ten step process for writing a well structured food truck business plan the food truck business plan writing steps include all aspects of the business plan writing process beginning with developing the executive summary to constructing a professional and polished funding request in each step i introduce you to a different business plan section i then explain in layman s terms what the section means offer a food truck specific business plan sample and analyze the sample to help you understand the component the objective of this detailed process is to ensure a full understanding of each section and segment with the goal of you being able to write a professional food truck business plan for yourself by yourself if you still need help writing your business plan at the end of the book i also supply you with a professionally written sample food truck business plan and a food truck business plan template for you to use on a final note to put the cherry on top i have conducted and included preliminary food truck market research for you to use in your personalized plans in the end i am supremely confident that this book with the numerous tools and tips for business plan writing will help you develop your coveted food truck business plan in a timely fashion

drive your food truck business to success while food trucks may not be the new kid on the block anymore it s a segment that continues to swell and there s still plenty of room for growth if you have your sights set on taking your culinary prowess on the road running a food truck for dummies 2nd edition helps you find your food niche follow important rules of conducting business outfit your moving kitchen meet safety and sanitation requirements and so much more gone are the days of food trucks offering unappealing prepackaged meals snacks and coffee in today s flourishing food service industry they re more like restaurants on wheels offering eager curbside patrons everything from gourmet tacos and korean bbq to gluten free pastries and healthy vegan fare whether you re the owner or operator of an existing food truck business looking to up the ante or a chef foodie or gourmand interested in starting your own mobile restaurant endeavor running a food truck for dummies has you covered create a food truck business plan to set yourself up for success stay profitable by avoiding the most common operating mistakes harness public relations and social media to build your following grow from one truck to multiple trucks restaurants or a food truck franchise packed with the latest information on legislation and ordinances securing loans and marketing to the all important millennials this one stop guide helps you cook up a well done food truck venture in no time

the development of web technologies has enhanced the availability of online business
