real people real transformations absolutely amazing it completely shifts your paradigm for life one of the most wonderful things about it is that the results are immediate my whole perception and relationship to money has undergone a major substantial change chris attwood writer and teacher california i ve spent most of my life trying to figure out what s true and what s real i have to say i now have a clear glimpse into what it really is tom hill colorado before busting loose from the money game i was very unhappy and frustrated in my life i was driven to find more ways to make money i changed jobs cities countries went back to school read books financially the stress was causing anxiety attacks and migraines so severe i stayed in bed the joy i feel now is priceless money is there when i need it in the amount that s needed no matter what occurs car repairs unplanned trips etc it s absolutely amazing suresh thakoor texas as a retired professor on a fixed and limited income i always lived from a tight budget and felt compressed by it especially at the end of the year i don t use a budget anymore and have opened up new streams of income that were always closed to me in the past howard rovics connecticut it opened a whole new dimension for me and shifted my perspective on life completely i especially love how practical it is the application is so simple so effective and fun doris kahle hagen germany i d had a lot of success in the corporate arena made a ridiculous amount of money and lost a ridiculous amount of money but i was caught in a cycle of making it losing it i needed to break that cycle for myself and my family and this gave me the keys to do that busting loose from the money game opened a window i had no clue even existed this is very cutting edge a revolutionary approach to unwrapping yourself from limitations if you re not satisfied with where you are financially and you re concerned about your future get this book ben coleman texas

a man had an accident he lost his sense of time and emotional capacity this is his sixth attempt to communicate since the accident

we are prisoners trapped in a dominant racist culture we don t know that outside life is different loving cooperative with enough for everyone remaining within this culture we are less than whole ourselves it s a lie that model prisoners escape note everything you have done to save the world has failed meanwhile every 28 hours another black man is gunned down by authorities we talk about gun control but don t teach conflict resolution take guns away from police or solve problems of race and class just recycling or driving an electric car is not enough it is hard actively seeking ways to monkey wrench us into

collapse while we still have life resources and energy to rebuild with it is critical that we address our spiritual life what if every moment were a meditation every act a blessing i know what it feels like to give up my struggle and acknowledge that someone i dearly love has died and that i failed to save them i will not give up again

bending reality is the innovative process used by billionaires tech leaders and the world s most successful people to make the impossible probable bending reality is victoria song s innovative process used by billionaires tech founders and the world s most successful leaders to make the impossible probable after achieving success without fulfillment at yale university harvard business school and then as a forbes 30 under 30 venture capitalist victoria set off on an unusual quest to study with over 24 of the world s best coaches therapists and healers she then deployed the skills and tools she d learned with a diverse group of the world s highest performers through it all she s discovered the codes that enable her clients to bend reality in the direction they want by accessing this extraordinary ability victoria s clients have sold a company for 4 billion dollars grown revenue 1 000 during a pandemic and designed a more effective covid vaccine victoria reveals the metaframework behind peak performance personal development and real magic that is accessible to all whether you ve studied these areas closely or this is your first book on this topic you ll have front row seats to how the world s elite use this knowledge to collapse time change the odds and receive intelligent downloads to create unimaginable success you will learn how to bend reality by mastering two states of being that most people aren t even aware of reach your personal peak without burning out navigate change and face the unknown like the greatest leaders access creative downloads that artists musicians and geniuses receive make your own luck there s literally a recipe find your unique zone of genius and live from it every day after learning how to bend reality you will no longer need to memorize rules tips or tricks instead you will embody the essence of a remarkable leader who can make the impossible probable

debunk all those assumptions that you will be rich if you study hard and work hard they don t teach you how to get rich at school 2 it is all about the importance of money the premise of the book clearly distinguishes the difference between the thinking of the rich and the poor in essence the only limitation between you and the rich is in your own mind and achieving success lies in breaking these walls you can t just graduate and leave formal education and expect yourself to be financially well equipped many people think that having a good education is sufficient to the roads to acquire new wealth well they can t be any more wrong it is having the mindset of the wealthy that will make you rich that is why many lotto winners who becomes instant millionaires loses most of their money because they don t have the proper mindset to maintain or grow their money you

Il discover why some of your money beliefs might be wrong and that could be holding you back you need to consider what are the principles and what behaviors the rich have that you do not have laura maya takes this idea and breaks it into sixteen chapters you wouldn t find a recipe to turn rich overnight rather the book provides a solid foundation for setting the psychological stage for strong financial habits studying hard getting nice grades and getting a job is not enough to be rich that s one lie which we have been fed with since our childhood there is a difference between scholastic professional and financial education the book further analyzes the root cause of why you are not rich it all boils down to your education you were never taught about how to be rich at school forget that you never even learned personal finance or how to handle money it further touches upon how you can get smart with personal finance perhaps the biggest argument laura makes is the fact that everything can change if you change your mindset buying that expensive dress impulsive buying etc are all signs of a poor mentality if you make changes to your lifestyle and spending habits today you will reap the benefits tomorrow on making money laura s approach is simple she emphasizes on investing spend less and plan for a long term this isn t something new we have all heard it but we never implement it laura gives real life examples of how you can start your journey to being rich by investing for a long term planning your finances and by staying on a budget last but not the least she focuses on self investment by developing your mental financial and emotional intelligence to sum up laura has come up with a book that truly focuses on the core problem today financial planning and money making is simply not taught at schools the book truly provides a step by step guide to change your thinking about money set realistic goals and embark a journey towards riches

beyond the secret beyond the power of now is the science of spirit a deeper look at life why are we here alive on planet earth trapped in a life of 9 to 5 wage slavery science of spirit lost keys to the kingdom of heaven on earth shows that all life on planet earth and in the universe is based on an evolution of consciousness from the beginning of timethe big bang it clarifies the connectedness of all life with science and to spirit through the understanding of world old hermetic teachings in a balance of reason and faith consciousness is the very fabric that all form is made out of and is the ground of all beingness of life consciousness and the energy that makes up matter are inextricably combined or linked emerging in a sequence of events called occasions of experience that ultimately create our experiences in life and our reality the universe isn t made of things or particles its a process its made up of events the result of this evolution of consciousness is an analogical awareness of life living in the now moment of unlimited potentials for the growth of a new super conscious species of humanity moving through an omega point in time between 2011 2013 these hermetic teachings were clarified for me through the teaching of ramtha and his ancient gnostic school much of what i have
