social media has fundamentally changed communication and interaction in today s society apart from being used by individuals it is also omnipresent in public sector organisations such as the armed forces this book examines the opportunities and risks associated with social media in the context of the armed forces from an international social scientific perspective it discusses the impact of social media in the everyday life of military personnel and analyses the extent to which social media influences their performance be it as a distraction or as a source of perceived appreciation it particularly highlights the representation of masculinity and femininity in military social media channels since the way gender is portrayed on social media has an effect on how future recruits and at the other end of the military career spectrum veterans feel they are approached the book also focuses on the new form of follow up discussion which enables the armed forces to interact with the population on social media the armed forces are publicly presented and this shapes the public s opinions on them further the armed forces can use debates as a monitoring tool of society s attitudes towards them or towards events that have an effect on society conversely social media can lend a voice to military personnel allowing them to be publicly heard as discussions on social media can only be controlled to a limited extent the context in which the armed forces are discussed alters their sphere of influence and potentially leads to a loss of control an extreme example of this is the use of social media as a tool to strategically distribute misinformation in order to shape public opinion and threaten national security moreover the use of social media to demoralise adversaries or to harm their credibility results in social media being considered a cyber weapon that affects politics and military activities

near an isolated mansion a beautiful garden is discovered with luscious flowers shady trees and a collection of butterflies young women who have been kidnapped and intricately tattooed by the gardener a twisted man obsessed with preserving his lovely specimens when a survivor is questioned the more she shares the more agents wonder what she is hiding
