The economy is tough but economics doesn't have to be. Let Roger Arnold's Macroeconomics 10e open up the world of economic analysis for your students with more detailed coverage of the financial and economic crisis than any other principles text. On the market fun and innovative pedagogy, easy customization, and fully integrated digital and course management options. Macroeconomics is the perfect solution for any classroom. The book's intriguing pop culture examples help bolster student interest by illustrating the unexpected places economics occurs and how economic forces link events to our lives and are part of your student's world. 24/7 entirely new to this edition is a complete set of video lectures featuring author Roger Arnold as he works through key concepts and graphs in each chapter. Ideal for self-study when students can play or replay the lectures or for online courses, the video lectures provide even greater flexibility for instructors. The tenth edition is integrated with powerful resources such as Aplia and Cengage's CourseMate for Economics, which provide unsurpassed planning and management tools like homework that is automatically assigned, graded, and recorded online, or tracking of students' time spent with online resources. With new chapters reflecting a changing economy and new resources addressing the needs of a changing classroom, Macroeconomics 10e is an ideal text for principles courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Note if you have a book-only version for this product, it is imperative that you provide a description that does not include any references to package elements. Ever wonder why you have the number of friends that you do? If a tax on soda would really reduce obesity? What is going on with the financial problems in Greece? Or whether a tax rebate is better than a tax bonus? Microeconomics answers these questions and many more using intriguing pop culture examples. The eleventh edition is revised to include the most comprehensive coverage of the financial and economic crisis available in a principles of microeconomics text. Self-tests help determine how well you're grasping the concepts, and CourseMate for Microeconomics offers a graphing tutorial, quizzes, videos, and more. It's all carefully designed to help you get the best microeconomics grade possible. Building on the video office hours lectures developed by the author for the tenth edition, the eleventh edition features two entirely new video types: video questions and problems, and working with diagrams. Video questions and problems videos walk you through a worked problem similar to those found at the end of each chapter, providing an ideal study tool for reference as you do homework. Working with diagrams videos demonstrate key
