the glacier of ancient vedic wisdom flowed down the himalayan kailash and watered the hindu philosophy the shrutis that which was heard and the smritis that which was remembered reflected this vedic wisdom thinkers and philosophers of the time expressed their thoughts in prosaic dharmastras and later on in more refined poetic dharmashastras the smritikars followed with their own interpretation symbolically represented by the code of manu that jurisprudence was responsible for taking the country through the golden pages of its history with the british dominance india was plunged in common law jurisprudence interwoven with hindu philosophy the midnight country awoke in 1947 to an independent democratic set up and in 1950 was wedded to the indian constitutional philosophy laid with the bricks of common law with the establishment of the supreme court of india the apex judicial institution in an interpretative mood carved a unique niche for anglo indian jurisprudence amidst the legal systems of the world in the twenty first century india is on a launch pad as a new political and economical superpower at this stage there is a need for india to familiarize with the civil law system that has grip on the other half of the commercial world tiny pockets in western and in eastern india as parts of erstwhile portuguese or french colonial possessions had earlier experienced the continental jurisprudence these pockets have the unique distinction of having run both the common and civil law systems and even simultaneously during the transition period this experience can be a contribution to the globalizing world hence it is necessary to foster the study of civil law in india not only from its historical past but also from its future prospects in world market in civil law studies an indian prospective about two dozen scholars from the law faculties of the universities of india lisbon and coimbra have collaborated to visualize the role for civil law studies in the subcontinent they have explored the different branches of law for comparative research such as constitutional civil commercial criminal etc the book is intended to be a thought provoking exercise which will strengthen the study and research of civil law in india the suggestions are meant to empower legal educators law students the bar and the bench in india

the volume describes and analyzes how the costs of litigation in civil

procedure are distributed in key countries around the world it compares the various approaches draws general conclusions from that comparison and presents global trends as well as common problems and solutions in particular the book deals with three principal questions first who pays for civil litigation costs i e to what extent do losers have to make winners whole second how much money is at stake i e how expensive is civil litigation in the respective jurisdictions and third whose money is ultimately spent i e how are civil litigation costs distributed through mechanisms like legal aid litigation insurance collective actions and success oriented fees inter alia the study reveals a general trend towards deregulation of lawyer fees as well as a substantial correlation between the burden of litigation costs and membership of a jurisdiction in the civil and common law families this study is the result of the xviiiith world congress of comparative law held under the auspices of the international academy of comparative law

developments of the law in japan and in germany provide ample reason for an inquiry into the identity of japanese and german civil law japanese civil law has a long tradition of absorbing and digesting foreign influences in particular from germany france england and the united states the absorption of foreign influences occurred on various levels at the legislative level in particular during the drafting process of the civil code at the judicial level and in the field of scholarship the reception of legal theories was followed by a unique process that has been characterised as theory reception kitagawa irrespective of such foreign influences we can discern a unique legal tradition in japan in other words its own identity at the same time german private law is under the influence of legal harmonisation in the eu while the predominant view in the 1980 s was still that this development was confined to a restricted area that of consumer law recent developments demonstrate that european union legislation now influences large parts of german civil law what does this mean in terms of the identity of german civil law and how does this development of a europeanization of german civil law affect related legal systems such as that of japan the present volume contains the proceedings of a conference held in japan in 2006 to mark the occasion of the germany year in japan in their contributions japanese scholars discuss the various influences on japanese law german scholars enquire into the europeanization of german private law and finally the identity of japanese civil law is discussed from the perspectives of german civil

law and of common law
