featuring analysis of healthcare issues and first person stories policy politics in nursing and health care helps you develop skills in

influencing policy in today's changing health care environment 145 expert contributors present a wide range of topics in policies and politics providing a more complete background than can be found in any other policy textbook on the market discussions include the latest updates on conflict management health economics lobbying the use of media and working with communities for change the revised reprint includes a new appendix with coverage of the new affordable care act with these insights and strategies you'll be prepared to play a leadership role in the four spheres in which nurses are politically active the workplace government professional organizations and the community up to date coverage on the affordable care act in an appendix new to the revised reprint comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism as well as complex business and financial issues expert authors make up a virtual nursing who's who in healthcare policy sharing information and personal perspectives gained in the crafting of healthcare policy taking action essays include personal accounts of how nurses have participated in politics and what they have accomplished winner of several american journal of nursing book of the year awards a new appendix on the affordable care act its implementation as of mid 2013 and the implications for nursing is included in the revised reprint 18 new chapters ensure that you have the most up to date information on policy and politics the latest information and perspectives are provided by nursing leaders who influenced health care reform with the patient protection and affordable care act of 2010

the authors survey general revenue and demographic issues and then analyze the five policy areas education corrections transportation welfare and health that consume 84.3 of the state budget and that in terms of both cost and controversy rank highest on the state's policy agenda emerging from this analysis is the disturbing consensus that kansas is an increasingly divided state one urban younger and wealthier the other rural older and poorer

it has been suggested that policy analysis has come to serve the needs of the state at the expense of the citizens this book offers a critique of how welfare policy is analyzed and set in the usa illustrating that how we study issues affects what ultimately gets done about them

vols 65-96 include central law journal's international law list
