every day principals assistant principals superintandents and others in educational leadership positions struggle to manage day to day school operations and still find time to champion school reform meanwhile teachers remain a largely untapped resource with their daily access to students and immediate understanding of what contributes to and what stands in the way of improving learning experiences teachers have the knowledge experience and leadership potential to bring about significant reform but how can principals and others effectively tap this resource what leadership roles are appropriate for teachers given their other responsibilities where can they be most effective how can schools identify potential leaders

among teachers and support their leadership work the authors of this volume address these and other important questions providing insights and ideas for ways to capitalize on this important but sadly underutilized resource this is the first issue of the quarterly journal new directions for school leadership for more information on the series please see the journals and periodicals page

principals need to empower teachers and enable them to share decision making if education practices are to be restructured and reformed this volume is based on a study of the empowering characteristics required by principals to improve for example teacher motivation self esteem and autonomy the authors describe the behaviour attitudes and strategies employed by the principals

this book captures the personal professional and historical experiences of international scholars and artists highlighting their trauma and joy it emphasizes the pedagogical power of oral history narratives and their impact on students offering rich historical perspectives and empowering role models from around the world

includes extra sessions

education is intimately connected to many of the most important and contentious questions confronting american society from race to jobs to taxes and the competitive pressures of the global economy have only enhanced its significance elementary and secondary schooling has long been the province of state and local governments but when george w bush signed into law the no child left behind act in 2002 it signaled an unprecedented expansion of the federal role in public education this book provides the first balanced in depth analysis of how no child left behind nclb became law patrick mcguinn a political scientist with hands on experience in secondary education explains how this happened despite the country s long history of decentralized school governance and the longstanding opposition of both liberals and conservatives to an active reform oriented federal role in schools his book provides the essential political context for understanding nclb the controversies surrounding its implementation and forthcoming debates over its reauthorization how the struggle to define the federal role in school reform took center stage in debates over the appropriate role of the government in promoting opportunity and social welfare he places the evolution of the federal role in schools within the context of broader institutional ideological and political

changes that have swept the nation since the 1965 elementary and secondary education act chronicles the concerns raised by the 1983 report a nation at risk and shows how education became a major campaign issue for both parties in the 1990s mcguinn argues that the emergence of swing issues such as education can facilitate major policy change even as they influence the direction of wider political debates and partisan conflict mcguinn traces the republican shift from seeking to eliminate the u s department of education to embracing federal leadership in school reform then details the negotiations over nclb the forces that shaped its final provisions and the ways in which the law constitutes a new federal education policy regime against which states have now begun to rebel and that only by understanding the unique dynamics of national education politics will reformers be able to craft a more effective national role in school reform

definitely recommended this is a comprehensive and practical guide tom fischer assistant professor department of special education university of wisconsin oshkosh this is a comprehensive resource book designed to assist and support the special education teacher through his or her first school year the authors present a step by step management approach design to help the first year teacher improve and enhance his or her skills in the areas of organization time management and instructional planning and implementation designed as a quick reference every chapter is written in an abbreviated format and the contents are sequentially arranged in order to guide the new teacher from the initial planning stage prior to the start of school to the post planning stage of the school year

the first edition of this text sought to provide a basis for improving the education of teachers at every level committed to the idea that the betterment of teacher education is essential to the improvement of schools it provided understanding of the research so that professionals could compare evaluate and create effective programmes
