we ve all heard the news report in fact we ve heard them for most of the past thirty years alarmingly and inexorably the

unthinkable has become a very real prospect the nation that is Canada as we know it may not make it into the next decade and we think that we no longer care that perhaps it is for the best or at the very least that there will be an end to this ceaseless wrangling and we can get on with our lives this is a dangerous course for what we wish for might just happen in a nation too good to lose former prime minister and senior statesman the right honourable Joe Clark argues eloquently and passionately that we are deluding ourselves if we think that the breakup of Canada will not have severe consequences for us all the economy will be devastated we will be marginalized and lose both our competitive edge and our standing on the world stage we will not escape more constitutional negotiations for how will we structure a Canada without Quebec Mr Clark contends that underlying the politics of frustration there is in fact a widespread consensus among Canadians on what Canada should be and how a new kind of federalism could be shaped and he warmly shares his personal experiences and views that have led him to this conclusion and to the fact that Canada can still be saved page 4 of cover
