excerpt from a brief history of the nations and of their progress in civilization although this work is based on the author s larger work the outlines of universal history which is designed for more advanced pupils it is not a mere abridgment of that work but a considerable portion of the matter is recast in the present volume the aim is to bring together the most important facts of history in their due order and connection with the inclusion as far as the space will permit of such illustrative details as may prevent the narrative from being a dry summary a skeleton without flesh and blood of course a book which is intended for pupils and readers gener ally should eschew everything that savors of the spirit of sect or party and record only well established judgments respecting persons and events about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

nations and their histories highlights the importance of the past and its uses in the formation of modern nations and national identities the book looks at the construction of different national historiographies as well as present representations of the past in the political and cultural life of nations covering the five continents

a history of all nations is a sweeping and comprehensive overview of world history from ancient times to the present day goodrich provides an in depth analysis of the major events personalities and cultural developments that have shaped the human experience over the centuries this book is a must read for anyone interested in world history and the complex interactions of different cultures and civilizations as well as for those seeking a comprehensive and well written introduction to the subject this work has been selected by scholars as

being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
