this thoroughly revised and expanded edition of Stewart Redlin and Watson's successful text provides a modern approach which emphasizes the process of problem solving taking advantage of new technology graphing calculator or computer and treats the basics in a clear and comprehensive way the authors goal is to help students develop their mathematical thinking stressing understanding over mimicry of techniques the tone examples and explanations all support full understanding of the material

adopters and reviewers praise Intermediate Accounting 4e by Spiceland Sepe Tomassini for its superior readability strong supplements package learning system good EOC real world flavor consistent quality and high student engagement SST 4e will gain support in both traditional and progressive accounting departments especially those looking for a more concise decision making text that reinforces challenging concepts the authors have created a flexible text with a student friendly writing style that focuses on explaining not only how to apply a procedure but why it's applied SST 4e is built around a learning system designed to prepare students for the new CPA exam and the business world by emphasizing decision making acknowledging the diversity of students and their learning styles the authors have created a clear text and varied supplemental materials to aid the success of every student SST 4e also provides a flexible and consistent supplemental package for instructors

a component of David's Strategic Management 6e this book is unique in its lively conversational style practitioner oriented perspective numerous experiential exercises and exceptionally up to date cases that focus on real companies in the news it integrates three very contemporary themes throughout each chapter globalization the natural environment and technology presents cases for study and skill building in all the major areas of strategy formulation implementation and evaluation

this text is appropriate for one or two term courses covering personal and corporate taxation written in an accessible style this text assumes that the student has no previous education in taxation Byrd Chen's Canadian Tax Principles can be used with or without other source materials this includes the Income Tax Act information circulars interpretation bulletins and other official materials the Income Tax Act is referenced in the text where appropriate for further independent study students should be able to solve all of the end of chapter problems by relying solely on the text as a reference the text and problem materials are comprehensive of the syllabus requirements of the CGAS CAS and CMAS

this book contains 20 cases and four tutorials centered around Microsoft Excel and Access the tutorials help users learn or brush up on the pertinent application based skills they'll need for the cases and the cases provide scenario based practice in making business decisions and using tools these cases require users not only to go through the motions of creating spreadsheets and databases but also to think through the processes they're learning in order to solve business problems
