

Canterbury Tales

[illegible]

in geoffrey chaucer s the canterbury tales key structural moments arise when a speaker shifts from rhyming heroic couplets to address the reader in prose as well as in instances where prose is mentioned but not employed these interruptions may seem like glosses explaining chaucer s intentions yet they occur during the most contradictory moments of the frame narrative making

his aims particularly elusive in chaucer s problem of prose stephen m yeager argues that the presence of prose in the canterbury tales exposes the complexities of poetic form manuscript technology and the media ecology of medieval clerical culture the book asserts that chaucer s work is informed by his awareness of the significant role that old english plays in early english monastic chronicles and cartularies representing some of the earliest recorded uses of his chosen literary language the book explores the surprising connections between the most striking depictions of racial otherness in the canterbury tales the sections that engage with english monastic historiography and the moments where chaucer disrupts the narrative convention that dictates everyone in fourteenth century england speaks in rhyming iambic pentameter couplets either by writing in prose or discussing prose itself ultimately chaucer s problem of prose examines how these moments reveal chaucer s anxieties about historical media and the central role of monastic historiography in documenting early english history

beginning with the spectacle of hysteria moving through the perversions of fetishism masochism and sadism and ending with paranoia and psychosis this book explores the ways that conflicts with the oedipal law erupt on the body and in language in chaucer s canterbury tales for chaucer s tales are rife with issues of mastery and control that emerge as conflicts not only between authority and experience but also between power and knowledge word and flesh rule books and reason man and woman same and other conflicts that erupt in a macabre sprawl of broken bones dismembered bodies cut throats and decapitations like the macabre sprawl of conflict in the canterbury tales this book brings together a number of conflicting modes of thinking and writing through the surprising and perhaps disconcerting use of shadow chapters that speak to or against the four central chapters creating both dialogue and interruption

an oddly diverse group of twenty nine people meet at an inn each of them is on a pilgrimage to a martyr s shrine in canterbury the host suggests the strange bunch journey together and tell stories to pass the time the group heads off including a knight a miller a wife a cook a shipman and a nun among others telling stories that range from bawdy exploits to foolish workers to the lives of saints a classic of english literature this unabridged version of geoffrey chaucer s the canterbury tales was first published in the early 1400s and edited into modern english by d laing purves in 1879 purves s collection of chaucer s works also contains troilus and cressida and additional poems and prose

experience is a multilayered cumulative affair with transformation at its core its study a necessary first step for its translation requires an exploration of embodiment the senses and cultural and social environments the second of two volumes this book explores how artefacts as outcomes of experience brought about by the artist/translator perform semiotic work this semiotic work arises through the intervention of their makers but also through their viewers audience often through the latter's direct participation in the artefacts creation which we see as an open ended process drawing on diverse examples from across the world the chapters explore visual materiality the digital world and the multisensory nature of artefacts such as monuments festivals theatre performances artworks rituals the urban environment and human bodies the embodied perception of which may draw holistically or variously on the haptic olfactory auditory kinetic or kinaesthetic senses throughout the book experiential translation is framed as a political endeavour that allows experience to be shared across linguistic cultural generational or gendered divides in the form of artefacts that facilitate transformation and the acquisition of knowledge this book and its companion volume the experience of translation materiality and play in experiential translation include an international range of contributions from graduate students and early career researchers ecrs to tenured academics in translation studies comparative literature performance arts fine arts media and cultural studies as well as educators artists and curators it will be of particular interest to translators and arts practitioners scholars and researchers in the transdisciplinary field of humanities

shortlisted for the edward stanford travel book of the year a dazzlingly brilliant book hannah dawson fascinating often exhilarating albinia is an intrepid imaginative guide tils the britannias tells the story of britain's islands and how they are woven into its collective cultural psyche from neolithic orkney to modern day thanet alice albinia explores the furthest reaches of britain's island topography once known wrote pliny by the collective term britanniae sailing over borders between languages and genres trespassing through the past to understand the present this book knocks the centre out to foreground neglected epics and subversive voices the ancient mythology of islands ruled by women winds through the literature of the british isles from roman colonial era reports to early irish poetry renaissance drama to restoration utopias transcending and subverting the most male fixated of ages the britannias looks far back into the past for direction and solace while searching for new meaning about women's status in the body politic boldly upturning established truths about britain it pays homage to the islands beauty independence and their suppressed or forgotten histories

a group of pilgrims bound for canterbury cathedral agree to pass the weary miles by taking turns at storytelling thus begins

english literature s greatest collection of chivalric romances bawdy tales fables legends and other stories the 14th century pilgrims represent a range of philosophies professions and temperaments and their vivid realistic characterizations assured the tales an instant and enduring success each pilgrim s story can be read separately and appreciated in its own right all appear here in a lucid translation into modern english verse by j u nicholson

fisher s work is a vivid lively and readable translation of the most famous work of england s premier medieval poet preserving chaucer s rhyme and meter and faithfully articulating his poetic voice fisher makes chaucer s tales accessible to a contemporary ear

about sheila fisher s translation preserving chaucer s rhyme and meter sheila fisher s vivid lively and readable translation makes the poetic artistry of the canterbury tales accessible to a contemporary ear and invites readers even those who have read the work before in middle english to a new appreciation of its delightful stories and unforgettable surprisingly modern characters

the canterbury tales was chaucer s magnum opus he used the tales and the descriptions of the characters to paint an ironic and critical portrait of english society at the time and particularly of the church structurally the collection resembles the decameron which chaucer may have come across during his first diplomatic mission to italy in 1372 the tales are told as part of a story telling contest by a group of pilgrims as they travel together on a journey from southwark to the shrine of saint thomas becket at canterbury cathedral
