for almost eight hundred years 100 bc ad 650 nasca artists modeled and painted the plants animals birds and fish of their homeland on peru s south coast as well as numerous abstract anthropomorphic creatures whose form and meaning are sometimes incomprehensible today in this first book length treatment of nasca ceramic iconography to appear in english drawing upon an archive of more than eight thousand nasca vessels from over 150 public and private collections donald proulx systematically describes the major artistic motifs of this stunning polychrome pottery interprets the major themes displayed on this pottery and then uses these

descriptions and his stimulating interpretations to analyze nasca society after beginning with an overview of nasca culture and an explanation of the style and chronology of nasca pottery proulx moves to the heart of his book a detailed classification and description of the entire range of supernatural and secular themes in nasca iconography along with a fresh and distinctive interpretation of these themes linking the pots and their iconography to the archaeologically known nasca society he ends with a thorough and accessible examination of this ancient culture viewed through the lens of ceramic iconography although these static images can never be fully understood by animating their themes and meanings proulx reconstructs the lifeways of this complex society

this edited volume mainly focuses on the practice of taking and displaying various body parts as trophies in both north and south america the editors and contributors which include native peoples from both continents examine the evidence and causes of amerindian trophy taking additionally they present objectively and discuss dispassionately the topic of human proclivity toward ritual violence this book fills the gap in literature on this subject

how certain southern indigenous viewed themselves from prehistory to decimation by europeans was already a significant subject of study fifty years ago but more recent scholarship has proven that what was once considered a single cult was actually a complex of cults with myriad adaptations of myths and artifacts this collection of 12 articles details archeological findings and analysis of how this warrior based set of precepts and practices developed and grew into elaborate ceremonial places and burial grounds topics include the implications of recent analysis of sites early evidence of the southeastern ceremonial complex secc and its contexts the role of time in development of the secc material and iconographic evidence of the secc in erowah culture evidence from moundville potsherds secc ritual regalia in the southern appalachians and other regions the role of sex in secc and future directions of research
