it has long been lamented that although several disciplines contribute to career scholarship they work in isolation from one another thus denying career theory research and practice the benefits that multidisciplinary collaboration would bring this constitutes a lost opportunity at a time when new understandings and approaches are needed in

order to respond effectively to global changes in society and work this book takes a major step towards remedying this situation by bringing together two key perspectives on career the vocational psychological and the organisational interpreted broadly to include organisation behaviour and human resource management written by international experts the book opens by identifying some of the tributaries that flow into the great delta of careers scholarship and noting the need to link what are at present separate islands of scholarship it is structured to allow comparison between the ways in which the two perspectives address career development and career management theory research and interventions it concludes by pointing to the possibilities for dialogue and even collaboration between these perspectives and suggesting ways in which these could be brought about the book will be essential reading for career scholars because with its potential to stimulate new thinking and developments in theory and research and also importantly in practice with beneficial spin offs for policy makers this dialogue could open a new phase in career scholarship with its overviews of the history theory research and practice of both perspectives the book will also be a valuable resource for students of both perspectives

geodata analysis and display system generalized management information system

developing the talents of everyone comprising an organization is critical to sustainable organizational effectiveness this handbook provides a unique and authoritative review of relevant research theoretical developments and best practices in the management of individual development drawing on the expertise of renowned specialists and practitioners this book serves as a practical resource for the guidance and support of those whose role it is to assist the professional development of workers

drawing upon critical social theorists like habermas depth psychologists like jung and phenomenologists like hussert denhardt shows how the ethic of organization inhibits the individual s search for meaning and then discusses strategies for enhancing the individual s role he champions independence expressiveness and creativity over discipline regulation and obedience

includes a selection of papers that were presented at the international conference on information technology which was held from 14 16 august 1996 at the university of strathclyde glasgow uk

a state of the art services managment guide

this is the first book about managing youth work for a very long time and is very welcome the book will help the developing practitioner become better equipped to lead youth work that is soundly informed by their professional values it will also be a valuable source for more experienced practitioners wanting to dip in for some analytical sustenance for their daily youth work management mary tyler principal lecturer de montfort university leading work with young people provides a selection of writing from a complex and dynamic field of work the editors bring together key readings and newly commissioned material to present a variety of theoretical and practical perspectives on leading and managing work with young people the book will equip students with the knowledge skills values and principles required for successful qualification as a worker in the field chapters include understanding leadership supervision multi agency work managing change leading work with young people is a student friendly and engaging text which examines the leadership roles which practitioners take on as members of teams organisations and interagency partnerships the book is an essential text for all those studying for qualification in work with young people and for those who wish to extend their understanding of the field it is also an invaluable resource for experienced professionals and practice supervisors working with young people in statutory or voluntary organisations leading work with young people is a course reader for the open university course leading work with young people e132
