excerpt from the spirit of christ thoughts on the indwelling of the holy spirit in the believer and the church that there are but few believers who realize this walk with god this life in god such as their father has prepared for them no one will deny nor will it admit of dispute what the cause of this failure is it is acknowledged on all hands that the holy spirit through whose divine omnipotence this inner revelation of the son and the father in the life and the likeness of the believer is to take place is not known or acknowledged in the church as he should be in our preaching and in our practice he does not hold that place of prominence which he has in god s plan and in his promises while our creed on the holy spirit is orthodox and scriptural his presence and power in the life of believers in the ministry of the word in the witness of the church to the world is not what the word promises or god s plan requires about the publisher
