crack the case system is a complete training program covering every aspect of the infamous case interview favored by top management

consulting firms and a growing number of fortune 500 companies david ohrvall's step by step approach combines practical instruction on structuring analytics and communication as well as insider tips and insights gained from training thousands of candidates. ctcs includes over 150 bonus videos on mbacase.com. 42 practice cases, homework and drills about the author. david ohrvall is the global expert on the topic of case interviews. a dynamic and sought after speaker, he trains several thousand mbas and undergraduates each year at premiere business schools around the world including wharton, stanford, harvard business school, chicago booth, duke's fuqua school of business, insead, oxford and cambridge. david also has an extensive private coaching practice that has helped launch hundreds of candidates into consulting, venture capital and a variety of industries. david is a former management consultant bain company and a graduate of the wharton school mba. undergrad learn more about david at mbacase.com

the case interview workbook contains 60 case questions for management consulting interviews with complete solutions. every case is compiled and edited by a team of ex consultants from mckinsey company, the boston consulting group and bain company. this book fills the gap left by others by providing you with plenty of high quality cases to practice on before your interview. many cases are from actual interviews at the top tier firms and cannot be found elsewhere. after working through this book you will be prepared for every type of case question you may encounter: market sizing, estimation, operations, industry analysis, pricing, growth, strategy, marketing, investment, m a, market entry, customer segmentation, profitability, valuation, logic, issue identification, cost analysis, market expansion and brainteasers. to name a few, these cases will help you prepare for interviews at leading management consulting firms including mckinsey company, the boston consulting group, bain company, oliver wyman strategy, formerly booz company, a t kearney, roland berger and le k as well as for consulting roles at large firms such as accenture, deloitte, pwc, ey and kpmg. note that is a workbook designed to complement other preparation books. you will have a hard time solving these cases without learning first elsewhere how to do so e g which frameworks to use, how to use them and how to structure a solution.

embrace the case interview walks you through each step on the path to your dream consulting job as described by a former management

consultant who conducted over 100 interviews for a top tier firm first we cover how to get the interview including how to be memorable when speaking with firms prior to the interview and how to write a killer resume and cover letter second we cover the behavioral part of the interview often overlooked the behavioral part of the interview covers your personal experiences and is often just as valuable as the case interview we discuss the traits interviewers are looking for and how to answer their questions in a structured way third we take an in depth look at the case interview itself unlike books that focus on segmenting cases and applying frameworks you will learn a single flexible structure that you will apply to any case with deadly effectiveness in addition to structuring the case you will learn approaches for the cases other parts including qualitative questions quantitative problems exhibit analysis and synthesis embrace the case interview places a strong emphasis on the quality of your learning rather than just doing hundreds of cases as such each example case contains an in depth discussion of the text book answer to help you improve for more information please visit embracethecaseinterview.com enjoy the book and best of luck in your upcoming interviews

crack the case system is a complete training program for the challenging case interview favored by top consulting firms and a growing number of fortune 500 companies david ohrvall the global expert on case interviews will help you crush your interviews with his step by step approach ctcs combines practical guidance in communication structuring analytics and integrated thinking as well as insider tips and insights gained from training thousands of candidates this new edition includes updated content exercises and drills and integration with 150 videos and 40 cases on mbacase.com
