contains the proceedings of the association

in the late nineteenth century in a number of continental European countries Christian associations of workers arose Christian trade unions workers cooperatives political leagues workers youth movements and cultural associations sometimes separately for men and women in some countries they formed a unified Christian labour movement which sometimes also belonged to a broader Christian subculture or pillar encompassing all social classes in traditional labour history Christian workers organizations were solely represented as dividing the working class and weakening the class struggle however from the 1980s onwards a considerable amount of studies have been devoted to Christian workers organizations that adopted a more nuanced approach this book takes stock of this new historiography to broaden the analysis each contribution compares the development in at least two countries thus generating new comparative insights this volume assesses the

development of christian workers organizations in europe from a broad historical and comparative perspective the contributions focus on the collective identity of the christian workers organization their denominational and working class allegiances and how these are expressed in ideology organization and practice among the themes discussed are relations with churches and christian democracy secularization the development of the welfare state industrial relations and the contribution to working class culture this volume is the result of a joint intellectual enterprise of the international institute of social history iihs in amsterdam netherlands and a group of scholars linked to the kadoc documentation and researchcentre for religion culture and society of the ku leuven catholic university leuven belgium

in this book martyn randall provides a service and repair manual for the volvo v70 and volvo s80 automobile
