bpp learning media provides the widest range of study materials of any cima publisher our comprehensive printed materials highlight the areas to focus on for your exams and our e learning products complement the syllabus to improve your understanding

the examiner has reviewed the study text which concentrates on the key areas of the syllabus and takes account of the examiner s guidance on how topics will be examined it includes a step by step approach to topics that students may find difficult such as control account reconciliations and suspense accounts there are lots of examples and questions in each chapter to help you practise the techniques

the acca f3 study text is split into six parts in line with the syllabus structure the examiner has commented that the study text is well structured and focused to meet the requirements of the f3 student there is a whole chapter devoted to the subject of ethical considerations as ethics and social responsibility are integral to the new acca syllabus

written by craig deegan australia s premier sustainability and social accounting academic an introduction to accounting accountability in organisations and society is the only resource in the market that brings corporate accountability sustainability and social responsibility together to provide a unique offering within the introductory accounting market this text takes a unique approach by embracing from the start the notion of accountability for the environment and sustainability in accounting providing students with an understanding of accounting s pervasive and transformative role as a social practice and organisational driver it shows that environments ideas and values change the interconnectivity of society that the planet must be

respected as a resource and that people are affected influenced by the information they receive and the way it is presented the text emphasises that accounting and accountability are key aspects of every person's life and that the practice of accounting while often being seen as very technical in nature has many social implications learning accounting through the lens of sustainability and the environment embeds this perspective in students' minds so that in their careers they will actively seek and use accounting information to make decisions that take into consideration accountability for the environment premium online teaching and learning tools are available on the mindtap platform learn more about the online tools at [cengage.com/mindtap](http://cengage.com/mindtap)
