cette exposition le cru et le cuisiné examine un domaine d activité dans un seul et même support l argile qui bien que vigoureux et prolifique n a jamais été exposé car elle chevauche les frontières de la sculpture et de la sculpture

identifies and describes published sources on some of the women artists and designers of the past two centuries from ireland to russia and finland to portugal and greece several european languages are represented but the annotations are all in english the first volume covers women working in bookbinding ceramics fashion glass textiles garden design interiors furniture wallpaper and metal the second covers graphic art illustration printmaking painting video performance mixed media and installations photography and sculpture for over 1 800 artists includes publications main sources exhibitions and other sources well cross referenced no index annotation copyrighted by book news inc portland or

carol mcnicoll b 1943 works within the vessel tradition and alongside other women ceramicists such as alison britton and elizabeth fritsch she helped to transform the british ceramics scene in the late 1970s mcnicoll s objects embody quintessential english eccentricity china shire horses and toby jugs for example are given a surreal twist teapots appear with three spouts bowls resemble classic english dishes such as egg and chips yet all are functional a common characteristic that illustrates mcnicoll s determination to push back boundaries and to make everyday objects extraordinary this preoccupation with the unexpected is reflected in the artist s favoured technique slip casting primarily an industrial process whose association with replication and mass production is intrinsic to her work the first book devoted to mcnicoll s art this title brings together biographical and developmental elements to create an in depth analysis of carol mcnicoll s work featuring an interview between the artist and lifelong friend roselee goldberg this book also provides insights into the period in which the artist emerged placing mcnicoll s work in the context of the worlds of art fashion and music in the 1970s

the first ever book to provide a comprehensive overview of british pottery the potter s art traces this remarkable history of pottery all the way from the rudimentary pots of the middle ages to the sophisticated art of today s studio potters beginning with the peasant potter garth clark moves on to describe the development of style and fashion under the notorious josiah wedgwood he also examines the work of the artist potters william de morgan and the martin brothers and the studio potters bernard leach and lucie rie focusing particularly on the distinctly human angle to the craft the author brings the potters to life by describing their working conditions lifestyles and characters for all collectors and potters this is an indispensable survey which sheds new light on the history of british pottery for anyone with a sense of aestheticism or a general interest in the arts it is an absorbing introduction to perhaps the most fundamental artistic medium in the history of civilization

written by a well known ceramist this best selling comprehensive introduction to ceramics adeptly combines the artist s perspective and spirit of creative inspiration with step by step fully illustrated instruction in the full range of hand wheel and plasterwork techniques ideal for self study it features exceptionally clear explanations an abundance of black and white and full color illustrations of process sequences model examples and ceramic projects and a convenient to use layout with one topic per page or per two page spread fabrication methods design decoration and glazing clays glazes firing the ware the use of computers in ceramics the marketing of ceramics features photos of a great variety of clayworks from pots to ceramic installations on site and in galleries and a portfolio of international artists with personal statements about their work for any one interested in the procedures and techniques of working in clay

paul scott s book ceramics and print formed the starting point for hot off the press with help we have made an exhibition which seeks to show the wide range and diversity of works by makers who combine the techniques of both printmaking and ceramics foreword

an invaluable reflection on the legacy of derek williams 1929 1984 a cardiff surveyor whose generous bequest of his art collection and entire net estate coincided with a reappraisal of the role and workings of the national museum of wales and led to the formation of the derek williams trust in 1992 concise insightful chapters by writer and curator david moore examine the quality and variety of artworks assembled by derek williams or supported by the activity of the trust over a period of over 25 years ranging from painting to ceramics photography and digital media illustrated with a wealth of artworks from the trust s collection and related exhibitions
