this book focuses on the value and necessity of modern sociology to pope francis's church reform project known as the synod on synodality it explores the behavioral and research aspects of this latest synod applying sociological perspectives and methods and drawing on secondary literature media reports and church documents the author argues that sociology is crucial for translating the major theological concepts into behavioral and research indicators to empirically ground the overall theological framework of the synod as an ecclesial innovation rather than a revolution in the catholic church the importance of sociological research methodology is emphasized to guide the synod's complex and multi stage qualitative data collection which seeks to understand the synodal concerns of all catholics in today's world the book addresses the need for scientific approaches to church reforms and for a nuanced complementarity between sociology and theology it will be of particular interest to scholars of theology religion and sociology as well as those actively involved in the workings of the catholic church

this international volume provides a comprehensive account of contemporary research new perspectives and cutting edge issues surrounding religion and spirituality in social work the introduction introduces key themes and conceptual issues such as understandings of religion and spirituality as well as definitions of social work which can vary between countries the main body of the book is divided up into sections on regional perspectives religious and spiritual traditions faith based service provision religion and spirituality across the lifespan and social work practice the final chapter identifies key challenges and opportunities for developing both social work scholarship and practice in this area including a wide range of international perspectives from australia canada hong kong india ireland

israel malta new zealand south africa sweden the uk and the usa this handbook succeeds in extending the dominant paradigms and comprises a mix of authors including major names significant contributors and emerging scholars in the field as well as leading contributors in other fields of social work who have an interest in religion and spirituality the routledge handbook of religion spirituality and social work is an authoritative and comprehensive reference for academics and researchers as well as for organisations and practitioners committed to exploring why and how religion and spirituality should be integral to social work practice

introduction for novice s has concise commentary on 150 of the best church related websites

beginner s guide to finding your family history online back cover

this book presents the political story of the church in the philippines and the development of its role as the major force behind the character of philippine politics and the social identity of the nation state it is also a story of conflict of a thirst for power and the desire to see traditional political barriers between church and state shattered the events have many twists and turns and at times the church has clashed head on with dictators been abandoned by thousands of its members and seen its fortunes surge at the end of the millennium as the chapters unfold the author shows how the church has now become an integral part of philippine politics inseparable undeniable and invaluable to an understanding of this island nation and its millions of inhabitants

truly gripping is the detailed narration of what actually took place during the senate and house debates this is valuable documentation for most civil society pro and anti rhadvocates who can only occasionally or sometimes never gain access to the floor debates what was actually said or not said the assertions the rebuttals the continuing attacks and defenses offer intriguing insights into how contentious laws are passed in this country a compelling read for all

the video tells the story of people who suffered abuse as children in institutions across canada it also introduces a discussion of how to meet the needs of those who were harmed

includes father goiffon s tale of survival on the dakota territory during the winter of 1860 in the original french and the english translation as well as extensive map notes letters and the goiffon family history
