the real history of the new world and the visitors from both east and west who traveled to the americas long before 1492 provides more than 300 photographs and drawings including celtic runes in new england gaelic inscriptions in colorado and asian symbols in the west reinterprets many archaeological finds such as the ohio serpent mound reveals celtic hebrew roman early christian templar egyptian chinese and japanese influences in north american artifacts and ruins as the myth of columbus discovering america falls from the pedestal of established history we are given the opportunity to discover the real story of the new world and the visitors

from both east and west who traveled there long before 1492 sharing his more than 25 years of research and travel to sites throughout north america carl lehrburger employs epigraphy archaeology and archaeoastronomy to reveal extensive evidence for pre columbian explorers in ancient america he provides more than 300 photographs and drawings of sites relics and rock art including celtic and norse runes in new england phoenician and hebrew inscriptions in the midwest and ancient shiva linga and egyptian hieroglyphs in the west he uncovers the real story of columbus and his motives for coming to the americas he reinterprets many well known archaeological and astronomical finds such as the ohio serpent mound america s stonehenge in new hampshire and the crespí collection in ecuador he reveals celtic hebrew roman early christian templar egyptian chinese and japanese influences in famous stones and ruins reconstructing the record of what really happened on the american continents prior to columbus he also looks at hindu influences in mesoamerica and sacred sexuality encoded in archaeological sites expanding upon the work of well known diffusionists such as barry fell and gunnar thompson the author documents the travels and settlements of trans atlantic and trans pacific explorers miners and settlers who made it to the americas and left their marks for us to discover interpreting their sacred symbols he shows how their teachings prayers and cosmologies reveal the cosmic order and sacred landscape of the americas

while native americans are perhaps the most studied people in our society they too often remain the least understood and visible fictions and stereotypes predominate obscuring substantive and fascinating facts about native societies the extraordinary book of native american lists works to remedy this problem by compiling fun unique and significant facts about native groups into one volume complete with references to additional online and print resources in this volume readers can learn about native figures from a diverse range of cultures and professions including award winning athletes authors filmmakers musicians and environmentalists readers are introduced to native u s senators medal of freedom winners medal of honor recipients major league baseball players and u s olympians as well as a u s vice president a nasa astronaut a national book award recipient and a pulitzer prize winner other categories found in this book are history stereotypes and myths tribal government federal tribal relations state tribal relations native lands and environmental issues health religion economic development military service and war education native languages science and technology food visual arts literary and performing arts film music and dance print radio and television sports and games exhibitions pageants and shows alaska natives native hawaiians urban indians including further fascinating facts this wonderful resource will be a great addition not only to tribal libraries but to public and academic libraries individuals and scholars as well

the sunday times top ten bestseller hancock s books provide a fascinating alternative version of prehistory america before detailed and wide ranging turns what was myth and legend into a new story of the past daily mail was an advanced civilization lost to history in the global cataclysm that ended the last ice age graham hancock the internationally bestselling author and presenter of the netflix hit ancient apocalypse has made it his life s work to find out and in america before he draws on the latest archaeological and dna evidence to bring his quest to a stunning conclusion we ve been taught that north and south america were empty of humans until around 13 000 years ago amongst the last great landmasses on earth to have been settled by our ancestors but new discoveries have radically reshaped this long established picture and we know now that the americas were first peopled more than 130 000 years ago many tens of thousands of years before human settlements became

established elsewhere hancock s research takes us on a series of journeys and encounters with the scientists responsible for the recent extraordinary breakthroughs in the process from the mississippi valley to the amazon rainforest he reveals that ancient new world cultures share a legacy of advanced scientific knowledge and sophisticated spiritual beliefs with supposedly unconnected old world cultures have archaeologists focussed for too long only on the old world in their search for the origins of civilization while failing to consider the revolutionary possibility that those origins might in fact be found in the new world america before the key to earth s lost civilisation is the culmination of everything that millions of readers have loved in hancock s body of work over the past decades namely a mind dilating exploration of the mysteries of the past amazing archaeological discoveries and profound implications for how we lead our lives today

many books over the years have promised to tell the true story of the native american indians many however have been filled with misinformation or derogatory views finally here is a book that the native american can believe in this well researched book tells the true story of native american accomplishments challenges and struggles and is a gold mine for the serious researcher it includes extensive notes to the text and over 500 photographs and illustrations many that have never before been published the author after 20 years of research has attempted to provide the world with the most truthful and accurate portrayal of the native american indians every serious researcher and native american family should have this ground breaking book

together with a list of auxiliary and cooperating societies their officers and other data
