transformed in the first part of the book the author critically examines the historical and philosophical base of western research extending the work of foucault she explores the

intersections of imperialism knowledge and research

with decolonizing methodologies linda tuhiwai smith made us rethink the relationship between scholarly research and the legacies of colonialism and to confront the reality that for the colonized such research was often inextricably bound up with memories of exploitation offering a visionary new decolonizing approach to research methodology her book has continued to inspire generations of decolonial and indigenous scholars this revised and expanded new edition demonstrates the continued importance of tuhiwai smith s work to today s struggles including the growing movement to decolonize education and the university curriculum it also features contributions from both new and established indigenous scholars on what a decolonizing approach means for both the present and future of academic research and provides practical examples of how decolonial and indigenous methodologies have been fruitfully applied to recent research projects decolonizing methodologies remains a definitive work in the ongoing struggle to reclaim indigenous ways of knowing and being

in this powerful and provocative book prasenjit duara uses the case of manchukuo the japanese puppet state in northeast china from 1932 1945 to explore how such antinomies as imperialism and nationalism modernity and tradition and governmentality and exploitation interacted in the post world war i period his study of manchukuo which had a population of 40 million and was three times the area of japan catalyzes a broader understanding of new global trends that characterized much of the twentieth century asking why manchukuo so desperately sought to appear sovereign duara examines the cultural and political resources it mobilized to make claims of sovereignty he argues that manchukuo as a transparently constructed nation state offers a unique historical laboratory for examining the utilization and transformation of circulating global forces mediated by the east asian modern sovereignty and authenticity not only shows how manchukuo drew technologies of modern nationbuilding from china and japan but it provides a window into how some of these techniques and processes were obscured or naturalized in the more successful east asian nation states with its sweepingly original theoretical and comparative perspectives on nationalism and imperialism this book will be essential reading for all those interested in contemporary history

recent changes in the global economy which include a growing demand for energy and natural

resources such as industrial minerals and agro food products have brought about a massive devastating pillage of resources in the developing world by multinational corporations as well as states with energy and food security concerns and concerns about a system global capitalism in the throes of a global crisis these developments have also brought about a major change in the form taken by imperialism actions taken by the state to advance the interests of the dominant capitalist class this book explores the changing face of us imperialism in the regional context of the americas a major stage in the unfolding drama of a system in crisis

racism is an endemic feature of the tory party tracing the history of that racism racism and the tory party investigates the changing forms of racism in the party from the days of empire including the championing of imperialism at the turn of the 20th century and the ramping up of antisemitism the imperial and racial politics of winston churchill the rise of enoch powell and powellism to the margaret thatcher years the birth of racecraft and her policies in northern ireland and the hostile environment and its consolidation and expansion under theresa may and boris johnson s premierships throughout the book all forms of racism are addressed including the various forms of colour coded and as well as non colour coded racism as they are put in their historical and economic contexts this book should be of relevance to all interested in british politics and british history as well as undergraduate and postgraduate students studying the sociology and politics of racism as well as for students of the history of the development of british racism and of imperialism and its aftermath

imperialism has become a key focus of debate about world politics in the post 9 11 world this major new text provides a systematic reappraisal of the evolution of the phenomenon and the concept from the 19th century as the basis for a reassessment of globalization and us hegemony in the world today
