this history of the french indian empire from 1674 to 1761 looks especially at the central individuals of the period

after india achieved independence from the british in 1947 there remained five scattered territories governed by the french imperial state it was not until 1962 that france fully relinquished control once decolonization took hold across the subcontinent western led ashrams and utopian communities remained in and around the former french territory of pondicherry most notably the sri aurobindo ashram and the auroville experimental township which continue to thrive and draw tourists today unsettling utopia presents a new account of the history of twentieth century french india to show how colonial projects persisted beyond formal decolonization through the experience of the french territories jessica namakkal recasts the relationships among colonization settlement postcolonial sovereignty utopianism and liberation considering questions of borders exile violence and citizenship from the margins she demonstrates how state sponsored decolonization the bureaucratic process of transferring governance from an imperial state to a postcolonial state rarely aligned with local desires namakkal examines the colonial histories of the aurobindo ashram and auroville arguing that their continued success shows how decolonization paradoxically opened new spaces of settlement perpetuating imperial power challenging conventional markers of the boundaries of the colonial era as well as nationalist narratives unsettling utopia sheds new light on the legacies of colonialism and offers bold thinking on what decolonization might yet mean

introduces the french and indian war including the origins of the war the interactions of the native americans french settlers british colonists and british officials and the consequences of the war

the french and indian war was the world's first truly global conflict when the french lost to the british in 1763 they lost their north american empire along with most of their colonies in the caribbean india and west africa in the french and indian war and the conquest

of new france the only comprehensive account from the french perspective william r nester explains how and why the french were defeated he explores the fascinating personalities and epic events that shaped french diplomacy strategy and tactics and determined north america s destiny what began in 1754 with a french victory the defeat at fort necessity of a young lieutenant colonel george washington quickly became a disaster for france the cost in soldiers ships munitions provisions and treasure was staggering france was deeply in debt when the war began and that debt grew with each year further the country s inept system of government made defeat all but inevitable nester describes missed diplomatic and military opportunities as well as military defeats late in the conflict nester masterfully weaves his narrative of this complicated war with thorough accounts of the military economic technological social and cultural forces that affected its outcome readers learn not only how and why the french lost but how the problems leading up to that loss in 1763 foreshadowed the french revolution almost twenty five years later one of the problems at versailles was the king s mistress the powerful madame de pompadour who encouraged louis xv to become his own prime minister the bewildering labyrinth of french bureaucracy combined with court intrigue and financial challenges only made it even more difficult for the french to succeed ultimately nester shows france lost the war because versailles failed to provide enough troops and supplies to fend off the english enemy

the book makes an earnest effort to study the indofrench relations in the context of the perceived role of both the countries in the international politics during the course of the cold as well as the postcold war era france s relationship with india
