seminar paper from the year 2010 in the subject business economics business
management corporate governance grade a harvard university course business
management language english abstract the grameen bank is a financial organization that
provides microcredit loans largely but not exclusively to women in rural bangladesh these
small loans are provided to people who wouldn t normally have access to the conventional
banking system no collateral or legal agreement is required for those wishing to take out
these small loans instead lending is based on a system of mutual trust and accountability
the system of borrowing and lending is administered in a very different way from normal
banks grameen looks to work with its clients and let them determine their repayment
plans and help them should they have problems in meeting these surprisingly the loan
repayment rate is very high even without formal agreements in place the founder of the
grameen bank professor muhammad yunus believes that providing poor people especially
poor women with credit can actually be an effective weapon in combating poverty and a
tool for enabling socio economic development conventional banking has tended to focus
on men but grameen gives high priority to female borrowers arguing that it empowers
them and enhances their status in society on the organization s website professor yunus
states that these millions of small people with their millions of small pursuits can add up to
create the biggest development wonder
