when asked to compare the practice of medicine today to that of a hundred years ago most people will respond with a story of therapeutic revolution back then we had few effective remedies now we have more and more powerful tools to fight disease in this version of history medicine was made modern and effectual by medicines the aim of therapeutic revolutions is to challenge the linearity of this historical narrative provide a thicker explanation of the process of therapeutic transformation and explore the

complex relationships between medicines and social change working on three continents and touching upon the lived experiences of patients and physicians consumers and providers marketers and regulators the contributors to this volume together reveal the tensions between universal claims of therapeutic knowledge and the specificity of local sites in which they are put into practice asking collectively what is revolutionary about therapeutics

the spectre of revolution and the nature of radicalism in britain from the late eighteenth century through to the age of the chartists has for some time engaged the interest of scholars and been the topic of much debate this book honours one of the subject s most renowned and respected historians professor malcolm i thomis in a collection distinguished by its formidable range of contributors a series of stimulating essays explores and re examines the threats and ideas of revolution and the byzantine networks and character of british radical culture in the turbulent and intriguing years between 1775 and 1848

the present volume is an anthology of papers presented in the first nesda security conference in 2005 with interdisciplinary contributions from a variety of professionals from government organization academics and researchers on the common theme of conceptualizing the notion of security in the 21st century it entails a multi pronged input from organizational bureaucratic and academic perspectives to look at in a focused way the indo centric view towards the national and international security matters it is hoped that the volume will be useful to the policymakers as well as the students of international relations and international security
