autobiographical writings have been a major cultural genre from antiquity to the present time general questions of the literary as e g the relation between literature and reality truth and fiction the dependency of author narrator and figure or issues of individual and cultural styles etc can be studied preeminently in the autobiographical genre yet the tradition of life writing has in the course of literary history developed manifold types and forms especially in the globalized age where the media and other technological cultural factors contribute to a rapid transformation of lifestyles autobiographical writing has maintained even enhanced its popularity and importance by conceiving autobiography in a wide sense that includes memoirs diaries self portraits and autofiction as well as media transformations of the genre this three volume handbook offers a comprehensive survey of theoretical approaches systematic aspects and historical developments in an international and interdisciplinary perspective while autobiography is usually considered to be a european tradition special emphasis is placed on the modes of self representation in non western cultures and on inter and transcultural perspectives of the genre the individual contributions

are closely interconnected by a system of cross references the handbook addresses scholars of cultural and literary studies students as well as non academic readers

walter benjamin and the corpus of autobiography is not merely the most extensive and insightful treatment of benjamin s autobiographical writings

the volume traces the founding critical theories of the autobiographical genre from the enlightenment period to the most recent developments which since the sixties and the essays of roy pascal and jean starobinski have had a greater and greater influence it offers in contrast to the essential and by now classic definition of philippe lejeune an increased effectiveness of the poem to express the narrative purposes of autobiography recognizing poetic writing that has the extraordinary ability to say what the mortal language does not say to quote leopardi the works of seamus heaney thom gunn carlos barral and jaime gil de biedma are analyzed here and show an unveiling of the self through memories places and objects that often characterize them and that allow to whomever recalls one s own experience through writing the recovery and restoration of essential meanings to the reconstruction not only of subjective identity but also of one s own community

the japanese film director akira kurosawa who died at the age of 88 has been internationally acclaimed as a giant of world cinema rashomon which won both the venice film festival s grand prize and an academy award for best foreign language film helped ignite western interest in the japanese cinema seven samurai and yojimbo remain enormously popular both in japan and abroad in this newly revised and expanded edition of his study of kurosawa s films stephen prince provides two new chapters that examine kurosawa s remaining films placing him in the context of cinema history prince also discusses how kurosawa furnished a template for some well known hollywood directors including martin scorsese steven spielberg and george lucas providing a new and comprehensive look at this master filmmaker the warrior s camera probes the complex visual structure of kurosawa s work the book shows how kurosawa attempted to symbolize on film a course of national development for post war japan and it traces the ways that he tied his social visions to a dynamic system of visual and narrative forms the author analyzes kurosawa s entire career and places the films in context by drawing on the director s autobiography a fascinating work that presents kurosawa as a kurosawa character and the story of his life as the kind of spiritual odyssey witnessed so often in his films after examining the development of kurosawa s visual style in his early work the warrior s camera explains how he used this style in subsequent films to forge a politically committed model of filmmaking it then demonstrates how the collapse of kurosawa s efforts to participate as a filmmaker in the tasks of social reconstruction led to the very different cinematic style evident in his most recent films works of pessimism that view the world as resistant to change

this autobiography gives david frost s account of the foundation of london weekend tv describing interviews with moshe dayan jane fonda and adam clayton powell it also sets out to illuminate some of the great questions of his time and capture the moods of england and america in the 1960s
