enforcement of actions in corporate law by non shareholder constituencies lessons for the common law world from south africa advocates for a complementary enforcement regime for the current and proposed corporate legislative measures in the anglo american corporate law doing so would empower non shareholder interests in corporate decision making mongalo argues that corporate legislative initiatives ought to provide for non shareholder constituencies considerations in decision making within corporate entities and that failure to enforce such frameworks reduces the law to lip service by offering a comprehensive critique of corporate constituency statutes and benefit corporation statutes in us and the enlightened shareholder value approach in the uk mongalo makes the case that a shift from the current enforcement philosophy in anglo american jurisdictions which is based on the preference of those to whom fiduciary duties are currently owed is necessary and that the actionable enlightened shareholder value aesva with its origins in south africa should be preferred

the purpose of this text is to provide a comprehensive yet succinct examination of the most significant areas of corporations law through the identification of the key elements underlying the pertinent statutory provisions the use of a plain english writing style and simple format the text seeks to make corporations law more accessible to those who seek to study or practise in the area of corporations law since the publication of the fourth edition there have been significant changes in corporations law from a legislative perspective important changes have also been effected through the passage of inter alia clerp 9 this has impacted significantly on the law pertaining to executive officers and directors in particular their remuneration and financial reporting and disclosure documents judicially this period has been marked by a considerable number of important cases pertaining to directors liability arising out of inter alia high profile corporate collapses including hih and one tel these cases have provided guidance as to the applicability of both statutory and equitable directors duties but also clarified the

procedural and substantive law aspects of the penalties flowing from breaches of such duties

understanding company law 4th edition is a user friendly resource written specifically to support non law students studying the law of companies and other business organisations providing an excellent balance between theory case law and practice understanding company law covers the essential concepts of company law business organisations financial markets takeovers and corporate governance in a clear and straightforward manner this new edition has been fully updated to take account of developments since the last edition was published in 2014 providing students with sufficient knowledge to develop a critical analysis and understanding of the topics the law is presented in the context of critique along with its uncertainties ambiguities and problems rather than as a mechanical description of the rules making it easier to understand the use of plain language ensures that the work is invaluable to students coming to the topic for the first time or who have english as a second language publisher information

this latest book and timely in the straightforward guides series a guide to company law revised edition is a clear and concise guide to all aspects of the law as it affects companies and the formation of companies with changes in the law up to 2021 covered in depth the book is intended for the layperson but can also be utilised by the professional or the student

the second edition of this text incorporates the latest changes to australian corporations law up to and including the corporations act 2001 and the financial services reform act 2001 like the 1st edition this text is written particularly for undergraduate law students the book introduces students to australian corporate law in a way that is informed by theory and policy throughout the book the authors draw upon materials from fields such as economics sociology and politics to provide a contextually relevant account of modern corporate law ample references and pointers are provided to policy debates contemporary issues and to further reading the authors bring considerable experience in interdisciplinary corporate law teaching and research the authors aim to stimulate the reader into further critical analysis of corporate law issues and to equip them with the capacity to respond in an informed way to future changes and developments the book also encourages the reader to independently pursue further research in areas of corporate law each of the 25 chapters has been revised and updated the book deals with introduction the history of corporate law and key themes and perspectives corporate structures and regulation including the structure of australian corporate law ASIC's role and powers and the role of auditors corporate obligations including corporate capacity contractual and criminal liability corporate governance membership and meetings directors duties shareholders rights corporate finance including share and debt capital the managed investments act 1998 and fundraising securities and takeovers corporate rescues and winding up
