in this research topic our aim is to examine how personal resources related to competencies skills and self perception as well as environmental contextual and relational features of the social contexts of diverse youth directly or indirectly are important to mental health and psychological well being as previous research on young people has mainly focused on youth s weaknesses rather than their strengths our use of positive youth development pyd in working with culturally diverse youth and their well being in this research topic is novel we invite contributions from researchers that were initially presented their papers in a meeting that was held by research partners of the cross national project on positive youth development cn pyd and who represent an international and multidisciplinary panel of experts on pyd the cn pyd was initiated in 2014 at the university of bergen and has an ongoing data collection that involves approximately 10 000 minority and majority youth and emerging adults ages 16 to 29 living in africa asia australia europe new zealand and south america cn pyd uses a strengths based approach to the conceptualization of youth as resources and agentic which is in opposition to the view of the developmental period of adolescence as being a period inherently fraught with problems and risks the goal of the cross national project is to assess personal strengths and contextual resources considering how these resources come together to facilitate youth thriving and to document how young people make positive and valued contributions to themselves and others we also advance research on the complex interplay between personal and contextual resources and their connections with risk behaviors and problems in essence taking a perspective of the whole child both in terms of strengths and problems

maybe you ve never asked the question out loud but you ve wondered you do the things that look good on paper read your bible pray attend study groups and go to church on sundays but you aren t convinced you really know him angie smith understands because she had run circles around the same paths searching for him frustrated at her lack of progress and she probably would have continued to do so had it not been for one realization that changed everything she wasn t following god she was trying to catch up with him and without realizing it you may be as well it s a distinction that affects every aspect of our lives with christ and it begins with learning where we ve relied more on man s explanation of god than god himself so many requirements so many rules and so much guilt where there is supposed to be freedom it s the reason you wonder if you ve measured up and the nagging voice that tells you you re a failure as a christian three simple words changed everything for angie and she believes they can do the same for you stop chasing god

the encounter with god is a shocking and surprising event for most of us we just weren't expecting to sense the presence of god but there it was unnerving and unexpected leaving us a bit bewildered as to what comes next some perhaps the many will simply shake it off and return to everyday life but the few realizing this was the real deal sense the need to look deeper to chase after god as he moves on down the trail this book provides the insights and wisdom of the many who have chased after god before you they have left you clues along the way if you know where and how to look the trail is easy to spot but sometimes difficult to trek nonetheless for the brave hearts the reward makes every step worth the effort time to get going god is already on the move

in the hustle and bustle of our daily lives we sometimes forget that we were made for fellowship with god for friendship for worship we lose sight of our creator as we chase down the creation building idols for ourselves that try to block out the light of god but god's glory cannot be blocked he remains an ever bright light our northern star when we are lost in the chaos of this world as believers we have been called to more than service we are called to a relationship with god through christ which starts with our dedication to him and carries on when we pass over into an eternity in his kingdom our lives on earth are merely temporal a transitional period affording us the opportunity to build the kind of relationship we seek to have with god for eternity this relationship and closeness to god is not merely a point to achieve rather a lifelong journey we undertake this book is to serve as a guide to the seeking and wandering soul to help us find our way back into the arms of the one who loves us beyond reason to help us find our way back home

in chasing god serving man tenney calls for a forging together of the passion for god and compassion for man the key is for god's people to cross the dividing line of passion and compassion and meet him at the junction of the cross the single point in time and space where passion for his presence crosses with compassion for his highest creation

thinking about you and your relationship with god this is a series of questions and answers that come from the heart i hope they help you and comfort you

what is a god chaser a god chaser is an individual whose hunger exceeds his reach a god chaser is a person whose passion for god's presence presses him to chase the impossible in hopes that the uncatchable might catch him a child chases a loving parent until suddenly the strong arms of the father enfold the chaser the pursuer becomes the captive the pursued the captor back cover

we are so quick to say we want more of god but is that really true as strange as it may sound the most misunderstood misrepresented and potentially the most feared person in christianity may very well be god himself even seasoned christians often view god as frightening untrustworthy and distant but nothing could be further from the truth author and filmmaker darren wilson takes a funny yet poignant romp through scripture revealing a long time christian's hang ups and fears of a god he was supposed to love wilson looks at questions such as is god selfish silent distant and constantly disappointed in you how do you love someone you can't see and who has the power to punish you at any moment how can a loving god throw people into hell simply for not believing in him wilson encourages readers to be honest with themselves and with god he challenges us to face the things many christians struggle with but are too afraid to talk about because everyone else seems to have this faith thing figured out he believes god isn't afraid of our questions doubts fears or even our anger the secret to peace and friendship with god lies in understanding who he really is

most of us focused intently on the device now guiding our lives those precious mobile phones occasionally bump into someone or something unexpectedly typically we offer a polite excuse me and off we

go but what if you bumped into god more to the point what if god intentionally bumped into you caught your attention for the briefest moment challenged you to come on and off god went stunned and a bit unnerved you're left with that awkward decision was that really god what do i do now should i chase after god for many so begins the unexpected chase after god this book the continuation of chasing god 2017 provides the insights of previous chasers who bumped into god and felt the urge perhaps the need to chase after god the experiences of veteran god chasers provide helpful and sometimes humorous musings into the chase after god their trail well worn by countless god chasers is easy to spot but sometimes difficult to trek nonetheless for the bravehearts those willing to endure the challenges the reward makes every step worth the effort in the blink of an eye god is slipping through the crowd bumping into others equally shocked inviting them to follow along as well hurry the elusive god is on the move again

god is passionately pursuing you there is a notion in our world that we must find god that it is on our shoulders to search for a hidden god if god had not or does not reveal himself we would not even know that there is a god he is self-revealing and on a mission to provoke a response in us he pursues us in three fundamental ways first the act of creation itself is an incredible act of pursuit by god he is the creator artist with his masterpiece in mind and we are part of the tapestry of creation second the act of inspiring a book the bible to codify his message demonstrates god as divine author pursuing us through his written word finally the act of the incarnation is the crowning act of pursuit christ the incarnate son of god is on a mission to rescue the love of his heart it is the perfect fixing the broken the highest becoming the lowest the resurrected lifting the dying from the very grave god's pursuit of us takes place on his dance floor his universe his masterpiece his pursuit unfolds throughout history on our battlefields in our crucibles and through our worst trials he brings the scars of his crucible the cross into our crucibles and rescues us in responding to our pursuing god we find our greatest healing

the author attempts to help readers understand that it is not man chasing god but it is god chasing man god is wooing man into his will and wants to have a relationship with him

there is nothing more important in this life or the one to come than an intimate connection with jesus unfortunately we have thousands of voices distracting us and all too often we listen to them we confuse proximity to god with intimacy with god and are content with a christian branded life yet miss out on what we were created for knowing god intimately sharing the touching story of a demon possessed man who had every reason to run the other way when he encountered jesus heath adamson shows us how spiritual hunger can overcome our hopelessness our shame and our excuses he encourages us to pursue god regardless of where we've been or where we are seeing our salvation as a doorway once we walk through it we can discover the love of god in a tangible way this book is for anyone who longs for a deeper connection to god who has felt far from peace and hope and who needs the assurance that god is both interested in who they are and accepts them

are you tired of pat answers to your hard questions of faith the writer of ecclesiastes is not afraid to confront your dilemmas as you explore this fascinating old testament book in this twelve session lifeguide bible study by bill and teresa syrios you will discover how god brings meaning to the world and how following god brings meaning to your life
