in coming to america the untold truth about living and working in america as an immigrant award winning author muchina says it s time that someone finally told the biter truth about what it s like to live and work in america as an immigrant over a million people migrate to the united states every single year what most of them don t know is that life in america is completely different from the america they see in the news or movies or american tv shows in coming to america muchina talks directly to new immigrants as well as those planning on migrating to the united states in the future with well researched statistics and figures he details the income of an average immigrant as well as the true cost of living and the sacrifices required in order to have a decent life while supporting family back home close to a million immigrants become undocumented every year muchina dedicates a few chapters to speak to those that may end up overstaying their visas or falling out of status for various reasons the challenges faced by undocumented immigrants are many but millions of them find ways to get jobs buy cars rent apartments and even start their own businesses the question is how do they do it those answers plus alternative documents the government makes available for undocumented people to open bank accounts and pay taxes to states that offer driver s licenses to undocumented residents all found within the pages of this book in the final chapters of the book muchina shares his story of how his obsession with the pursuit of the american dream cost him everything he owned and nearly destroyed his life in the process he tells his compelling poignant story as a warning to others whose desire to make a lot of money may lead them down the wrong paths with dire consequences mostly with his deep understanding of how the american system works he brings the wisdom of knowing what not to do as well as what aspects of life one must protect in order to build a decent and fulfilling life in america in his own words muchina says this book is everything i wish someone had told me when i first came to america so if you re planning to migrate to

america this book will help you answer some of the most important questions you may have such as what are the 5 top myths about america what are the top 5 mistakes most immigrants make is the american dream possible for an immigrant what will your host expect of you when you get to america where should you settle in and why how are you expected to behave in america how is america different from where you re coming from what are you going to love about the country and its culture will you be able to get a job what kind of documents will you need to get a job will you be able to get work documents if you have a non immigrant visa will you be allowed and able to get work if you have a non immigrant visa what happens if you overstay your visa what kind of job will you be able to get as an immigrant how much are you likely to get paid for what job how much will it cost you to live in america how much does housing cost what can you or can t you do what kind of bills will you have to pay what kind of taxes will you have to pay how much money will you be able to earn per month how much will you be able to save per month if you wanted to start a business could you what kind of rights will you have as an immigrant how do undocumented immigrants get jobs what kind of work do undocumented immigrants do what jobs pay better than others for immigrants what rights do immigrants have do undocumented immigrants have any rights what s a social security number and why does everyone need one what if you can t get a social security number because of your immigration status how do you get a driver s license if you go out of status will you be able to get a driver s license where can you get a driver s license if you overstay your visa what can you expect from friends and relatives when you move to america how should you deal with relatives back home what s a fico credit score and how does it determine your success or failure what mistakes are you likely to make that could ruin your life in america will your foreign university degree get you a job in the united states in part 4 you ll hear the story of the author an immigrant whose life was nearly destroyed in america due to the lack of information such as found in this book in his pursuit of the american dream he made all the wrong mistakes just like so many immigrants and citizens make he hopes to spare you from the same fate so you have a chance to succeed and get yourself a piece of the american dream

like its predecessor writing mormon history this book delves into the captivating narratives of multiple historians as they unfold the backstories of their various publishing endeavors the authors detail their journeys in crafting influential books articles newspaper pieces and anthologies that have significantly shaped our

comprehension of mormon history beyond the polished final products that readers typically encounter the book explores the driving forces compelling authors to explore their topics and the sacrifices they make along the way the volume invites readers to ponder the motivations that fuel an author s commitment to rigorous research and writing and sheds light on the substantial time ranging from minutes to long hours invested in the sources they cite through these narratives readers gain an appreciation for the dedication and passion that goes into the making of historical scholarship whether you re an avid historian a student of history a scholar or an aspiring author writing mormon history 2 offers an important glimpse into the minds of these writers this anthology provides a unique opportunity to connect with the human stories behind the academic works that have left an indelible mark on our understanding of mormon history

here are 102 ways to use training in family history and genealogy when applied to real world careers in education business or government including creative entrepreneurial start ups with the future marriage of genealogy to smart cards online databases or similar authentication technology for family history population registration census and library research it may be easier to research family lines not only by dna matches through dna testing for deep ancestry but also with smart electronic cards designed for electronic identity it s also a way to track military records as another way to trace family history careers and research may focus on various state libraries or historical associations history and family studies are part of an interdisciplinary liberal arts program that emphasizes research and writing journalism courses help round out your ability to express in plain language the results of your reading explorations and interpretations obtaining a degree or even taking one course or self study in family public or social history can lead to broad interdisciplinary careers graduate work in library science law journalism public history or genetics counseling with a double major in the life sciences and social work also lead to careers in which an historical education may be used
