They aren't just learning the alphabet; they are understanding the process of storytelling through images.

The Role of the Adult The importance of the adult's role cannot be overstated. Adults should act as facilitators, not just reciters, of the rhyme. Encourage discussions about the letters, their sounds, and the images they evoke. This interaction facilitates deeper understanding and allows for personalized learning experiences. Imagine a parent guiding their child to pronounce the 'c' sound in various words, linking it to the 'ch' sound in the rhyme.

The foundation built during these early years significantly impacts future reading comprehension, fluency, and writing ability.
