this book of readings gathers together some of the most influential contributions that reflect on the relationship between culture and development

it is more important than ever for students to have knowledge of the wider world through current research and examples from around the world arnett's human development teaches students to think culturally about their own development and see how it applies to their own lives and future careers whether they travel the globe or remain in their home towns in a culturally diverse and globalized world students will benefit from being able to think culturally about human development new us and international videos shot in several countries allow students to observe similarities and differences in human development across cultures publisher

this work introduces students to new ways of thinking about development rather than viewing culture as simply an attribute of the societies undergoing development the authors critically examine how development itself operates as a cultural process

three year old kwara australian children in oceania act as caregivers of their younger siblings but in the uk it is an offense to leave a child under age 14 ears without adult supervision in the efe community in zaire infants routinely use machetes with safety and some skill although us middle class adults often do not trust young children with knives what explains these marked differences in the capabilities of these children until recently traditional understandings of human development held that a child's development is universal and that children have characteristics and skills that develop independently of cultural processes barbara rogoff argues however that human development must be understood as a cultural process not simply a biological or psychological one individuals develop as members of a community and their development can only be fully understood by examining the practices and circumstances of their communities

help students understand how culture impacts development and why it matters through current research and examples from around the world arnett maynard's child development through middle childhood provides students with a more accurate and practical understanding of how development works in the real world whether they travel the globe or remain in their home towns in a culturally diverse and globalized world students will benefit from being able to think culturally about human development new us and international videos shot in several countries allow students to observe similarities and differences in human development across cultures a better teaching and learning experience the teaching and learning experience with this program helps to understand culture and diversity extensive cultural coverage is woven into the narrative and on vivid display in images learning objectives are listed at the start of each chapter as well as within the chapter along every section to help students better organize and understand the material personalize learning the new mydevelopmentlab with myvirtualchild delivers proven results in helping students succeed and provides engaging experiences that personalize learning improve critical thinking students learn to think critically about the influence of culture on development engage students students are fascinated to learn about similarities and differences in child development across

cultures explore research students are presented with current research and examples from around the world support instructors all supplements were developed around the textbook s carefully constructed learning objectives child development through middle childhood a cultural approach is an abridged paperback version of child development a cultural approach click here to view a sample chapter [pearsonhighered.com/showcase/arnettmaynard](http://pearsonhighered.com/showcase/arnettmaynard)
