when first published in 1999 your drug may be your problem was ahead of its time the only book to provide an uncensored description of the dangers involved in taking every kind of psychiatric medication it was also the first and only book to explain how to safely stop taking them in the time elapsed there have been numerous studies suggesting or proving the dangers of some psychiatric medications and even the fda now acknowledges the problems more studies are under way to determine their long term and withdrawal effects in the meantime this book continues to be ever relevant and helpful fully updated to include study results and new medications that have come to market your drug may be your problem will help countless readers exert control over their own psychiatric treatment

offers a series of specific targeted strategies for solving common challenges faced by parents of children up to three years of age including feeding problems sleep troubles and behavior issues

this lively book provides an essential introduction to the critical analysis of social problems and the policy process it argues that policy does not just have an impact of people s lives but that people can and should have an impact on policy rather than assuming that social policies reflect an inevitable response to pre existing givens the

author adopts a more proactive position to show how a problem is fabricated and how a particular response to a problem is legitimated he goes on to demonstrate how the struggle over the meaning and desirable response to a range of social issues continues to take place not only in parliament but across broadcast and print media and the numerous internet channels the book provides students practitioners and activists with a rationale for and means to read write and perform policy analysis drawing on the notion of policy literacy readers will be introduced to a range of resources to enable them to further develop the ability to both read comprehend write create design produce and perform influence and shape policies the book is illustrated throughout with examples from historical and contemporary representations of social problems and local national and global policy making and practice each section will make reference to a toolkit that tutors student and activists can access to help inform their practice presented in an accessible format the book demonstrates that making sense of social issues and the policy process also means making sense of some of the fundamental questions values and assumptions of how is should society be organised and our own role in the shaping of society in this way the book not only provides practical and critical insights into the policy process but is also an intellectually challenging and stimulating read

in a world fraught with challenges and uncertainty faith remains our most enduring beacon of hope let god use you to solve your problems god will instruct you and teach you in the way you should go offers a unique exploration of how a steadfast reliance on god s wisdom coupled with an active role in our own spiritual development can serve as a roadmap to navigating life s complexities this book provides an enlightening journey into a deeper understanding of god s role in our lives not as a miracle worker performing supernatural acts on demand but as a divine guide illuminating our path through the teachings of scripture and personal experiences it shows how by letting go and trusting in god we can find the strength courage and wisdom to confront and overcome our problems the author a conservative bible scholar encourages readers to actively engage with their faith teaching how god instructs us through his word life experiences and our own spiritual growth throughout the chapters readers will learn the art of biblical discernment nurturing spiritual growth embracing patience in god s timing and turning trials into triumphs through god s guidance this book ultimately underscores the importance of personal responsibility in a faithful christian life it provides a nuanced and balanced understanding of faith that inspires action and involvement in our communities allowing us to serve god and others while becoming reflections of god s love let god use you to solve your problems is more than a book it s a spiritual guide for those seeking to blend trust in divine wisdom with personal initiative creating a life that is not just endured but lived fully and meaningfully in god s light
