this issue of the ministry of the word contains the final eight messages given during the fall 2017 term of the full time training in anaheim california the general subject of this series of messages is the crucial revelation of life in the scriptures god s ultimate intention is to gain a corporate god man for his corporate manifestation the intrinsic element of god s eternal economy is that the triune god in humanity the wonderful christ as the spirit of the glorified jesus is sown into god s chosen people as the seed of life the seed of god so that he might grow in them live in them develop in them and be expressed from within them as the farm of god for the building up of the church as the house of god and the kingdom of god the seed of life is actually god in christ as the spirit through his word sown into us this seed contains everything related to god s economy to the divine life and to the growth development and function of that life the seed of life is not only a substance a reproductive element or an essence but also a person the all inclusive christ the seed of life sown into us needs to grow to maturity so that we may be the kingdom of god in resurrection christ became a life giving spirit for imparting life the life giving spirit is the extract the essence the concentrated form of the all inclusive christ the totality of all that the all inclusive christ is as the life giving spirit is for our experience and enjoyment without the experience of christ as the life giving spirit the lord cannot have his body if we never have any experience or enjoyment we will never grow there is always a spiritual war related to the growth in life if the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity however there is a fighting element in this seed the only way to enter into the coming kingdom is to grow into the kingdom second peter 1 5 11 reveals that our growth in life to maturity becomes an entrance into the kingdom richly supplied to us the law of the spirit of life is the subject of romans 8 god s life is the highest life and the law of this life is the highest law the law of the spirit of life is not a thing but a person the processed and consummated triune god embodied in christ and realized as a living law in our spirit this law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life while we remain in touch with the lord staying in contact with him the law of the spirit of life works automatically spontaneously and effortlessly to dispense god as life into our being and to overcome the law of sin and of death vv 10 6 11 we activate the law of the spirit of life by remaining in touch with the lord we need to cooperate with the indwelling installed automatic and inner operating god by prayer and by having a spirit of dependence

thus maintaining our fellowship with the lord of life and the lord of work romans 8 reveals that the processed triune god as the law of the spirit of life gives the divine life to the believers for their living there are four laws in romans 7 and 8 one law is outside of us and the other three correspond to the three lives that are within us as regenerated persons outside of us is the law of god the law of moral commandments which is a portrait of god within us is the law of sin and of death in our flesh the law of good in our soul and the law of the spirit of life in our spirit the only way we can match and become the living portrait of god is by living according to the law of the spirit of life in our spirit god s desire and goal are that we live by the divine life and minister life to others for the building up of the church the all inclusive indwelling spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of christ to everyone who contacts us in romans 8 we also see that the desire of god s heart is to have many sons for his corporate expression v 29 the father sent his son who was born under the law and born through a woman to redeem us out from under the law having redeemed us he sent forth the spirit of his son into our hearts crying abba father gal 4 6 now our spirit has become a spirit of sonship as the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn son of god we are to be conformed to the image of god s firstborn son christ as the first god man that we may be a group of god men who are exactly like him paul s epistle to the romans reveals god s complete salvation in two aspects god s judicial redemption is the procedure of god s complete salvation for the believers to participate in god s organic salvation as the purpose of the complete salvation of god redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification god s organic salvation is the organic aspect of god s complete salvation through the life of god rom 1 17b acts 11 18 rom 5 10b 17b 18b 21b as the purpose of god s salvation accomplishing all that god wants to achieve in the believers in his economy through his divine life gen 2 9 rev 22 14 organic salvation entails regeneration with god s life sanctification with god s holy nature renewing with god s element transformation with god s being conformation into god s image and glorification which is our full sonship glorification sonizes our whole being from spirit to soul to body all the items of god s organic salvation are carried out by christ as the life giving spirit in his heavenly ministry organically and subjectively being saved in his life is actually the process of resurrection with the resurrection life of christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with god s holy nature it is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit rom 6 4 7 6 the experience of god s organic salvation equals reigning in christ s life the issue of our reigning in life living under the ruling of the divine life is the real and practical body life

rev irma diaz has skillfully drawn a treasure map for god s people who are hungry and willing to dig for the treasure god has already deposited within them the breath of god is a must read for any serious christian who longs for the heavenly consummation of the greatest union of all time

the resurrection and immortality is man born with an immortal soul or do the saved put on immortality at the resurrection this is one of the most important questions of all times it has more influence on our conception of our nature our view of life in this world and life after death the nature of god than any other question the resurrection and an undying immortal soul are not compatible if one is true then the other one cannot be your whole theology what you believe is determined by your view of the soul not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of christ pointless for there could not be a resurrection or a judgment at his coming the resurrection doctrine of unconditional immortality are contradictory to each other you must choose one or the other you cannot believe both christ taught the resurrection it is our only hope of life after death not now having immortality and never dying the undead cannot be raised if the soul is immortal and never dies there cannot be a resurrection of those not dead if there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls the doctrine of unconditional immortality changes the nature of god makes him cruel and sadistic changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection changes the nature of man whether he is now mortal or immortal changes the nature of the resurrection of christ whether he was dead and raised by god or only his earthly body was dead and he just came back from heaven to it changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere the resurrection an immortal soul the wages of sin is death the wages of sin is an eternal life of torment

does our essential human nature consist of an incorporeal soul a kind of ghostly true self that survives our physical death is this soul the quality that distinguishes us from the animal kingdom if being born again by the holy spirit is essential if we are to see let alone enter the kingdom of god then how were people saved in the old testament period before the holy spirit was given these questions serve as a springboard for this scriptural inquiry into the themes of the holy spirit and the human soul and will be of interest to any christian who finds themselves asking these kinds of questions or struggling with these themes with extensive quotes from scripture coupled with a return to the meaning of the original texts this study offers a biblical evaluation of centuries of orthodox thinking concerning these themes taking us through the scripture narrative from before the creation of the earth through to the life and times of jesus and on through the present gospel age and beyond
